II.2.4) Description of the procurement

UKHSA intends to establish the DPS to help fulfil its requirement for the ongoing supply of additional Lateral Flow Testing (LFT) and Polymerase Chain Reaction (PCR) Kits. UKHSA is therefore seeking applications from potential providers to be admitted to the DPS. UKHSA envisages that the DPS will be divided into the categories of products (Lots) with differential characteristics for the LFT and PCR lots (more fully described in the relevant Specifications). UKHSA currently intends to run procurements within the DPS to seek tenders from those providers who have qualified onto the DPS and whose kits fall within one or more of the relevant lots. Potential providers may join the DPS at any time up to the date the DPS expires so long as the potential provider meets the criteria stated in the documents found on the appointed sourcing platform (Atamis). If a potential provider meets the criteria for admission to the DPS and is appointed to a lot then it may be invited to tender for the award of one or more contracts. UKHSA envisages using specific criteria which may, where appropriate, be formulated more precisely in the Invitations to Tender for those procurements.

For LFT requirements UKHSA does not seek to procure kits which are exclusively nasopharyngeal, oropharyngeal or exclusively both.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
