Section II: Object

II.1) Scope of the procurement

II.1.1) Title

North Leamington School ~ Ground Maintenance Tender

II.1.2) Main CPV code

- 77314000 - Grounds maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

The successful Supplier will be required to provide Grounds Maintenance services for North Leamington School.

II.1.5) Estimated total value

Value excluding VAT: £180,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKG13 - Warwickshire

Main site or place of performance

Warwickshire

II.2.4) Description of the procurement

The contract being tendered is for three years, from 1 January 2022 until 31 December 2024, with an option for a further extension period at the end of the contract term for a further term of three years on a 1 + 1 + 1 basis.

This tender project is seeking to appoint a suitably qualified Supplier whose experience, initiative and innovation will be an asset to North Leamington School in enhancing the appearance of the grounds and general campus along with all pitches used for sport.

The contract will be fixed price in nature, with the Supplier invoicing the Client for one-twelfth of the annual cost on a monthly basis. Whilst the monthly charge will represent one-twelfth of the contract cost, reconciliation will take place annually to reconcile the achievement of input hours and delivery of the specification of the contract. The Client

requires that the tendered specification is undertaken at all times and the successful Supplier is expected to have a system in place to cover for both planned and unplanned absence of the staff dedicated to the contract and also the resource to meet the season needs of the contract.

The value of the current contract is in the region of £30,000.00 per annum.

The scope of the contract and specification will include but not be limited to:

- 1.Maintenance of grassed areas
- 2.Sports pitch marking and maintenance
- 3.Maintenance of shrub and plant borders
- 4.Hedge and tree maintenance
- 5.Weed control
- 6.Fence lines
- 7.Drainage ditches

It is also the objective of this tender for the successful Supplier to have in place a management support structure, site supervision and training plan that ensures that all Client locations are kept to standard at all times and that the required grounds maintenance specification is achieved consistently.

It should be noted that the successful Supplier will be expected to provide innovation, proven maintenance methods and appropriate equipment to the contract, thus ensuring that the highest levels of service are maintained in all areas at all times.

The successful Supplier will be expected to actively work with North Leamington School to support environmental statement / aims, outline their own environmental policies and demonstrate what measures and procedures they propose to take.

The Client's objectives are:

- To further increase the standards of grounds maintenance within all areas
- To receive a service that complies with the tender specification standards, which includes the preparation of the cricket wicket to U19 county standards and the maintenance of this wicket during the course of the season

- To receive consistently high-quality grounds maintenance standards
- To generate an improved environment for all students in all areas
- To receive pro-active management support from the grounds maintenance Supplier
- To hold regular review meetings with the successful Supplier
- To support the Supplier in working with students with regard to curriculum links, work experience, apprenticeships and eco groups
- To achieve overall value for money

North Leamington School (Multi Academy Trust) is expected to grow in the number of schools becoming part of the Trust during this contract period, and the provision of grounds maintenance services within these schools when they have joined the MAT will fall under the scope of this contract. The successful Supplier will be expected to provide this service within these additional schools using the same costing model that they applied to their successful tender submission for North Leamington School at the point of tender submission. The duration of contract for these schools will not be increased and they will join the contract for the remaining contract period that exists at the point of entry into the MAT.

Please note: Further schools may be added to the contract during the tender process and during the life of the contract, as detailed above.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £180,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 April 2022

End date

31 March 2028

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 5

Maximum number: 10

Objective criteria for choosing the limited number of candidates:

A minimum of 5 suppliers and a maximum of 10 suppliers will be taken forward to the tender stage of the process. Where less than 5 suppliers meet the minimum standards, only those that meet the minimum standards will be taken through to the tender stage. Where more than 5 suppliers meet the minimum standard, those suppliers with the highest scores will proceed to the tender stage.

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

3 September 2021

Local time

12:00pm

IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates

20 September 2021

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

It will be the supplier's responsibility to obtain any necessary documents in order to submit a response by the closing date and time.

The contracting authority reserves the right not to award any or part of the contract which is the subject of this contract notice and reserves the right to terminate the procurement process at any time.

The contracting authority will not be liable for any costs incurred by those expressing an interest in tendering for this contract opportunity.

The contracting authority will consider variant bids, evaluating them (so far as the variant or the evaluation of the variant is in the opinion of the contracting authority practicable) on the same basis as a conforming bid, but shall not be obliged to accept any such bid in preference to a conforming bid even if the variant bid scores more highly. No variant will be considered unless the bidder simultaneously submits a conforming bid.
