It is also responsible for education, social services, libraries, main roads, public transport, trading standards, waste disposal and strategic planning. B&NES covers an area of 136 square miles (352 km²), of which two thirds is green belt. It stretches from the outskirts of Bristol, south into the Mendip Hills and east to the southern Cotswold Hills and border of Wiltshire. The city of Bath is the principal settlement in the district. Bath developed as a spa resort in Georgian times and remains a major cultural tourism centre having gained World Heritage City status.
