Tender

# **STEP Engineering Partner and Construction Partner**

United Kingdom Atomic Energy Authority

F02: Contract notice

Notice identifier: 2024/S 000-016180

Procurement identifier (OCID): ocds-h6vhtk-0361bf

Published 22 May 2024, 2:19pm

# **Section I: Contracting authority**

# I.1) Name and addresses

United Kingdom Atomic Energy Authority

Culham Campus

Abingdon

**OX14 3DB** 

#### **Email**

procurement@step.ukaea.uk

#### Country

**United Kingdom** 

# Region code

UK - United Kingdom

## **National registration number**

N/A

#### Internet address(es)

Main address

http://www.gov.uk/government/organisations/uk-atomic-energy-authority

Buyer's address

https://uk.eu-supply.com/ctm/Company/CompanyInformation/Index/72814

# I.3) Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at

https://uk.eu-supply.com/app/rfq/rwlentrance\_s.asp?PID=81210&B=UKAEA

Additional information can be obtained from the above-mentioned address

Tenders or requests to participate must be submitted electronically via

https://uk.eu-supply.com/app/rfq/rwlentrance\_s.asp?PID=81210&B=UKAEA

Tenders or requests to participate must be submitted to the above-mentioned address

# I.4) Type of the contracting authority

Body governed by public law

# I.5) Main activity

Other activity

Fusion Research

# **Section II: Object**

# II.1) Scope of the procurement

#### II.1.1) Title

STEP Engineering Partner and Construction Partner

Reference number

T-SP049-22 & T-SP050-22

#### II.1.2) Main CPV code

• 45220000 - Engineering works and construction works

#### II.1.3) Type of contract

Works

#### II.1.4) Short description

UKAEA (on behalf of UKIFS – a special purpose vehicle to be established during the procurement process as the delivery body for STEP) is conducting this Procurement for an Engineering Partner (EP) and a Construction Partner (CP), who, together with a Fusion Partner (determined to be UKAEA), will bring together and develop extensive industrial capabilities to design and build a UK prototype fusion energy plant capable of delivering net-energy to the grid, and build a world-leading fusion delivery industry.

The Procurement is divided into two lots:

- Lot 1: Engineering Partner (EP)
- Lot 2: Construction Partner (CP)

#### II.1.5) Estimated total value

Value excluding VAT: £20,000,000,000

#### II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for one lot only

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

UKAEA will apply bid restrictions. Please see the SSP for further details.

# II.2) Description

#### II.2.1) Title

Engineering Partner (EP)

Lot No

1

## II.2.2) Additional CPV code(s)

- 45200000 Works for complete or part construction and civil engineering work
- 66519000 Engineering, auxiliary, average, loss, actuarial and salvage insurance services
- 71000000 Architectural, construction, engineering and inspection services
- 71240000 Architectural, engineering and planning services
- 71250000 Architectural, engineering and surveying services
- 71310000 Consultative engineering and construction services
- 71311000 Civil engineering consultancy services
- 71312000 Structural engineering consultancy services
- 71313000 Environmental engineering consultancy services
- 71318000 Advisory and consultative engineering services
- 71320000 Engineering design services
- 71321000 Engineering design services for mechanical and electrical installations for buildings
- 71322000 Engineering design services for the construction of civil engineering works
- 71323000 Engineering-design services for industrial process and production
- 71323200 Plant engineering design services
- 71330000 Miscellaneous engineering services

- 71333000 Mechanical engineering services
- 71334000 Mechanical and electrical engineering services
- 71336000 Engineering support services
- 71337000 Corrosion engineering services
- 71340000 Integrated engineering services
- 71350000 Engineering-related scientific and technical services

#### II.2.3) Place of performance

**NUTS** codes

• UK - United Kingdom

#### II.2.4) Description of the procurement

The Engineering Partner's (EP) primary responsibility will be to provide the capability to drive the integrated design of the STEP Prototype Plant (SPP), and to then manufacture that plant through a developing supply chain. This includes (but not be limited to) providing capabilities for management of all engineering data, responsibility for the detailed design of SPP systems, equipment, and components, and contracting through the engineering supply chain. The EP will be responsible for leading a supply chain which delivers the manufacture and assembly of the SPP components. See the procurement documents for further details.

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.6) Estimated value

Value excluding VAT: £10,000,000,000

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

**Duration** in months

36

This contract is subject to renewal

Yes

#### Description of renewals

The EP contract term will be an initial 3 year period, followed by 3 optional extension periods of 4, 6 and 7 years (these durations are subject to change as the Programme develops). UKIFS will have the right to exercise an extension option on 6 months' notice. The maximum contract length duration for the EP contract will be 20 years with an estimated value of £10,000,000,000.

# II.2.10) Information about variants

Variants will be accepted: No

#### II.2.11) Information about options

Options: No

#### II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

# II.2) Description

#### II.2.1) Title

Construction Partner

Lot No

2

#### II.2.2) Additional CPV code(s)

- 45200000 Works for complete or part construction and civil engineering work
- 45213250 Construction work for industrial buildings
- 45214610 Laboratory building construction work
- 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways
- 45223000 Structures construction work
- 45251000 Construction works for power plants and heating plants
- 45251100 Construction work for power plant

- 45251110 Nuclear-power station construction work
- 45251111 Construction work for nuclear reactors
- 45254200 Construction work for manufacturing plant
- 71300000 Engineering services
- 71322000 Engineering design services for the construction of civil engineering works
- 71500000 Construction-related services
- 71520000 Construction supervision services
- 71521000 Construction-site supervision services
- 71530000 Construction consultancy services
- 71540000 Construction management services
- 71541000 Construction project management services
- 79418000 Procurement consultancy services

#### II.2.3) Place of performance

**NUTS** codes

• UK - United Kingdom

#### II.2.4) Description of the procurement

The Construction Partner's (CP) primary responsibility will be to collaboratively provide the capability to drive the integrated design of the overall layout, buildings, infrastructure, onsite and offsite facilities of the STEP Prototype Plant (SPP) to fulfil the support, enclosure and environmental requirements of the operational plant. The Construction Partner will then purchase, fabricate, deliver and install all elements of the designed facilities utilising existing and new supply chains, directly sourced or contracted resources. The CP's responsibilities will include (but not be limited to) managing the overall health, safety, environment and security systems applicable to all parties engaged at the site. See the procurement documents for further details.

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.6) Estimated value

Value excluding VAT: £10,000,000,000

# II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

The CP contract term will be an initial 3 year period, followed by 3 optional extension periods of 4, 6 and 7 years (these durations are subject to change as the Programme develops). UKIFS will have the right to exercise an extension option on 6 months' notice. The maximum contract length duration for the CP contract will be 20 years with an estimated value of £10,000,000,000.

#### II.2.10) Information about variants

Variants will be accepted: No

#### II.2.11) Information about options

Options: No

## II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

# Section III. Legal, economic, financial and technical information

# III.1) Conditions for participation

# III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Refer to Procurement Documents for information.

#### III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

## III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

## III.2) Conditions related to the contract

#### III.2.2) Contract performance conditions

Refer to Procurement Documents for information.

# Section IV. Procedure

# **IV.1) Description**

#### IV.1.1) Type of procedure

Competitive dialogue

# IV.1.4) Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

# IV.2) Administrative information

#### IV.2.1) Previous publication concerning this procedure

Notice number: 2022/S 000-023363

# IV.2.2) Time limit for receipt of tenders or requests to participate

Date

12 July 2024

Local time

1:00pm

#### IV.2.4) Languages in which tenders or requests to participate may be submitted

**English** 

# **Section VI. Complementary information**

# VI.1) Information about recurrence

This is a recurrent procurement: No

# VI.3) Additional information

UKAEA is launching this procurement on behalf of UK Industrial Fusion Solutions Limited (UKIFS). UKIFS will take over responsibility for running the procurement when it is established part way through the procurement process and will be the client entity that will enter into the contracts at the conclusion of the procurement.

# VI.4) Procedures for review

#### VI.4.1) Review body

The High Court

The Royal Courts of Justice

London

Country

**United Kingdom** 

#### VI.4.2) Body responsible for mediation procedures

The High Court

The Royal Courts of Justice

London

Country

**United Kingdom** 

#### VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

In accordance with the Public Contracts Regulations (PCR) 2015, the authority will observe a minimum ten (10) calendar day standstill period at the point that information

regarding the award of the contract is communicated to tenderers.

If an appeal regarding the award of a contract has not been successfully resolved by the authority, the Public Contracts Regulations (PCR) 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the Regulations to take action in the High Court (England, Wales and Northern Ireland).

## VI.4.4) Service from which information about the review procedure may be obtained

The High Court

The Royal Courts of Justice

London

Country

**United Kingdom**
