II.2.4) Description of the procurement

Yorkshire Purchasing Organisation (YPO) is a national public sector buying organisation delivering an array of frameworks to the public sector. YPO are currently developing a nationwide framework for the provision of Garage and Workshop Framework within the public sector, which will replace YPO's existing framework for Garage and Workshop (1012), due to expire in June 2024.

A framework can be considered as a procurement tool which compliantly connects suppliers with public sector organisations. There is no guarantee of work by virtue of being a supplier to a framework, however being an appointed supplier increases opportunities within the public sector.

YPO are aiming to notify suppliers in the market to the upcoming release of our Garage and Workshop framework to ensure maximum reach to all supply bases.

Please note that this information is being sought without prejudice and without commitment. Should YPO decide to take this project further, the engagement of this PIN will not be part of that process, nor will the information provided be used to determine the outcome of that process.

Should YPO wish to proceed, a formal procurement process will be followed in accordance with YPO's contract procedure rules and relevant procurement regulations. If YPO does proceed with the process, it is envisaged that this will commence in June 2024.

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

This contract is subject to renewal
