II.2.4) Description of the procurement

Natural Resources Wales (NRW) is looking to conduct pre-tender market engagement with

contractors interested in providing Cleaning and Re-spacing services. The scope of work will include Cleaning and Re-spacing of naturally regenerated crops and the Control of invasive weeds by motor manual methods.

As the provision of the contract will be throughout Wales, contractors operating across Wales are encouraged to get in touch to discuss the work and contract opportunities in their local areas. Contractor input is strongly encouraged, so NRW can put in place efficient procurement that works well for all parties.

During this open pre-tender market engagement period contractors are invited to attend individual online MS Teams meetings with NRW Procurement and project staff. In order to book a suitable meeting time please use the following link:
