Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Reading List Management System Tender

Reference number

DN648557

II.1.2) Main CPV code

- 48160000 - Library software package
 - TA01 - For books

II.1.3) Type of contract

Supplies

II.1.4) Short description

The University of Westminster wishes to review its online reading list management system and approaches to reading lists in relation to teaching, learning and resource provision in alignment with the University's mission and strategic objectives. Following successful implementation of a reading list system in 2014 and subsequent embedding of reading list system into teaching and learning approaches, the University wishes to acquire a new contract for a reading list system which will continue and enhance the current provision.

The reading list software must cover the requirements listed in the tender documents and will enable the university to better support teaching and learning, student and academic engagement in resources, and support the acquisition and provision of resources.

A contract with a reading list system supplier will be required for 4 years initially to deliver this purpose and is intended to start April 2024.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48160000 - Library software package
- 48190000 - Educational software package

II.2.3) Place of performance

- UKI - London

II.2.4) Description of the procurement

The University of Westminster wishes to review its online reading list management system and approaches to reading lists in relation to teaching, learning and resource provision in alignment with the University's mission and strategic objectives. Following successful implementation of a reading list system in 2014 and subsequent embedding of reading list system into teaching and learning approaches, the University wishes to acquire a new contract for a reading list system which will continue and enhance the current provision.

The reading list software must cover the requirements listed in the tender documents and will enable the university to better support teaching and learning, student and academic engagement in resources, and support the acquisition and provision of resources.

A contract with a reading list system supplier will be required for 4 years initially to deliver this purpose and is intended to start April 2024.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

It is anticipated that the new contract will be for an initial period of 4 years with an option to extend for a further period of up to a total of 12 months taking the contract term to a maximum of 5 years.

The Contract is intended to start on April 2024. Any extension to the Contract will be agreed between the University of Westminster and the Service Provider. It is likely that University will seek the Service Provider to demonstrate improvements and/or price reductions before considering an extension.

For any extension(s) to the Contract, discussions with the Service Provider shall be conducted sufficiently far in advance of the contract expiry date to arrive at an agreed position.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No
