# **Section II: Object**

# II.1) Scope of the procurement

### II.1.1) Title

Reading List Management System Tender

Reference number

#### DN648557

#### II.1.2) Main CPV code

- 48160000 Library software package
  - TA01 For books

#### II.1.3) Type of contract

**Supplies** 

#### II.1.4) Short description

The University of Westminster wishes to review its online reading list management system and approaches to reading lists in relation to teaching, learning and resource provision in alignment with the University's mission and strategic objectives. Following successful implementation of a reading list system in 2014 and subsequent embedding of reading list system into teaching and learning approaches, the University wishes to acquire a new contract for a reading list system which will continue and enhance the current provision.

The reading list software must cover the requirements listed in the tender documents and will enable the university to better support teaching and learning, student and academic engagement in resources, and support the acquisition and provision of resources.

A contract with a reading list system supplier will be required for 4 years initially to deliver this purpose and is intended to start April 2024.

#### II.1.6) Information about lots

This contract is divided into lots: No

## II.2) Description

• UKI - London

#### II.2.4) Description of the procurement

The University of Westminster wishes to review its online reading list management system and approaches to reading lists in relation to teaching, learning and resource provision in alignment with the University's mission and strategic objectives. Following successful implementation of a reading list system in 2014 and subsequent embedding of reading list system into teaching and learning approaches, the University wishes to acquire a new contract for a reading list system which will continue and enhance the current provision.

The reading list software must cover the requirements listed in the tender documents and will enable the university to better support teaching and learning, student and academic engagement in resources, and support the acquisition and provision of resources.

A contract with a reading list system supplier will be required for 4 years initially to deliver this purpose and is intended to start April 2024.

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

It is anticipated that the new contract will be for an initial period of 4 years with an option to extend for a further period of up to a total of 12 months taking the contract term to a maximum of 5 years.

The Contract is intended to start on April 2024. Any extension to the Contract will be agreed between the University of Westminster and the Service Provider. It is likely that University will seek the Service Provider to demonstrate improvements and/or price reductions before considering an extension.

For any extension(s) to the Contract, discussions with the Service Provider shall be conducted sufficiently far in advance of the contract expiry date to arrive at an agreed position.
