II.2.4) Description of the procurement

The requirement is for the supply of Future Leaders Fellowships (FLF) Development Network 2 services, full details are contained in the UKRI-1406 Specification document (and any other associated documentation).

UKRI is looking to take advantage of the unique opportunities presented by the cohorts of FLF (Rounds 4,5,6) and potentially further fellows supported by UKRI through the associated activities of this Network. It is envisioned that the activities developed by the supplier will be accessible to all aforementioned participants, and that where capacity is available, wider participation by other Early Career Researchers and Innovators supported by UKRI is envisaged. This proposed network should:

- * Create a strong cohort experience;
- * Develop the leadership skills of the fellows;
- * Enable the fellows to play a leadership role across the research and innovation community;
- * Create deep links with UKRI and its investments
