LDA Secure Community Forensic Service

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

The service is delivered via a partnership arrangement that is called the Prospect Lead Provider Collaborative that includes a collaboration of partners:

Mersey Care NHS Foundation Trust,

Cheshire Wirral Partnership NHS Foundation Trust.

Elysium Healthcare.

The service will:

- Support the development of the clinical and operational infrastructure for a forensic community service for people with LDA aged 16+,
- Provide specialist intervention to service users and their families and provide added value through the dissemination of forensic expertise and knowledge across multiple stakeholders,
- Support and facilitate the timely discharge of people who have complex needs from secure settings,
- Provide an assertive in reach model, working with existing in-patient teams and community stakeholders, to support safe and timely discharge from secure care,
- Support, where indicated, a planned transition to mainstream services (12 -18months). This should include specialist risk assessment, monitoring and clinical treatment/therapy

in community settings,

- Prevent hospital admission and support the gate-keeping process,
- Provide advice training and consultation to the wider health, social care and criminal justice services to support the principle of hospital avoidance,
- Will support the assessment and contribute to the development of interventions and follow-up for individuals with offending behaviour,
- Will offer specialist advice to the wider system to assist in determining whether someone should have care and treatment within the community.
