#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

NHS England Specialised Commissioning - Highly Specialised Commissioning Team (referred to as the Commissioner(s)) is inviting suitably qualified and experienced providers to express interest in delivering the Service(s), by responding to this opportunity as required and described in document 1, and within the published Provider Selection Process. NHS Arden and Greater East Midlands CSU (AGCSU) is acting as an agent for and on behalf of the Commissioner and is supporting the provider selection process.

The key objective of the provider selection is to commission the Service(s) to serve the population of England. It is expected that expert care for rare Inherited White Matter Disorders (IWMDs) will already be being provided by the organisations which apply to this process and applicants will be able to demonstrate this. For this reason, applying organisations must be existing tertiary neurosciences units.

### **II.2.4) Description of the procurement**

NHS England Specialised Commissioning - Highly Specialised Commissioning Team (referred to as the Commissioner(s)) is inviting suitably qualified and experienced providers to express interest in delivering the Service(s), by responding to this opportunity as required within the published Provider Selection Process. NHS Arden and Greater East Midlands CSU (AGCSU) is acting as an agent for and on behalf of the Commissioner and is supporting the provider selection process.

The provider selection process is described within the documentation published. This Provider Selection Process has been advertised in accordance with the requirements of the Public Contracts Regulations 2015 (as amended) (the "Regulations") to the extent that the Regulations relate to services within the scope of Schedule 3 thereto (Social and Other Specific Services). The Commissioner and AGCSU are, therefore, bound only by those parts of the Regulations applying to Schedule 3 services (also known as the "Light Touch Regime").

The key objective of the provider selection is to commission the Service(s) to serve the population of England. It is expected that expert care for rare Inherited White Matter Disorders (IWMDs) will already be being provided by the organisations which apply to this process and applicants will be able to demonstrate this. For this reason, applying organisations must be existing tertiary neurosciences units.
