## **Pathology & Theatre Chiller Tender**

Bedfordshire Hospitals NHS Foundation Trust

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-016278

Procurement identifier (OCID): ocds-h6vhtk-065a97

Published 23 February 2026, 7:05pm

### **Scope**

#### **Description**

Bedfordshire Hospitals NHS Foundation Trust requires the replacement of failed chillers serving Pathology (Building 48/64) and Theatres 3 & 4 (Building 39). The project has been expanded to include increased cooling capacity and the formation of a fully interconnected chilled water network to enhance resilience for critical clinical services.

All works must be undertaken within a live acute hospital environment without disruption to critical cooling services.

The project will be delivered within a live acute hospital environment, requiring careful planning, phased installation, and close coordination with clinical services. The system will be procured as a specialist contractor-designed solution, based on a performance specification, with full responsibility for detailed design, installation, testing, commissioning, and handover.
