Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Golborne Heavy Rail Station Market Sounding

Reference number

DN725406

II.1.2) Main CPV code

- 45000000 - Construction work
 - AA45 - Gold

II.1.3) Type of contract

Works

II.1.4) Short description

Market sounding only.

TfGM, Wigan MBC and Network Rail, have developed an option for a new Heavy railway station in Golborne, Wigan. The new station will be located on the existing electrified track infrastructure on the West Coast Mainline (WCML) near to the site of the old Golborne station. As part of the overall scheme, the new station would be served by an hourly service between Wigan North-Western and Manchester Victoria.

The Golborne project incorporates the wider Wigan masterplan scope which includes highways and public realm alterations which maximise opportunities in the adjacent car park, improved traffic flow and junctions layouts and enhanced active travel and pedestrian measures within Golborne town centre.

The MS questionnaire is available via the Pro Contract ePortal - Upon expression of interest this will be automatically issued Pro Contract reference DN725406

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKD - North West (England)

II.2.4) Description of the procurement
