II.1.4) Short description

Small Steps Big Changes are inviting tenders from organisations who feel suitably qualified to deliver the evaluation of two commissioned services.

Healthy Little Minds (Parent Infant Relationship Service)

- Healthy Little Minds aims
 - o To improve social and emotional outcomes for children
 - o To lay the foundations to support children to build positive relationships, understand their emotions and increase resilience
 - o To raise awareness amongst the public and children's services' workforce professionals to recognise the importance of supporting all parent infant relationships
- Healthy Little Minds offers evidence-based programmes to families from 20 weeks of pregnancy to 2 years.
 - o New-born Behavioural Observations
 - o Baby Massage
 - o Solihull basics, parenting groups and neo-natal plus

o Going Mellow/ Mellow Bumps

o Video Interactive Guidance (VIG)

- Healthy Little Minds also provides specialised support where there are difficulties in the parent-infant relationship.

Healthy Lifestyles Pathway

- The service offers a care programme to promote healthy lifestyle choices and prevent childhood obesity and poor health outcomes.
- The service works holistically with families; helping them to set achievable goals around healthier lifestyles by offering a variety of one-to-one and group activities to help families achieve these goals.

II.1.5) Estimated total value

Value excluding VAT: £180,000

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKF - East Midlands (England)

Main site or place of performance

Nottingham

II.2.4) Description of the procurement

This is a great opportunity to work with us to support our work in early childhood development in Nottingham. SSBC are inviting tenders for organisations that have

- Demonstrable skills knowledge and expertise in proposed evaluation approaches in community settings including proportionate use of counterfactual methods
- Enthusiasm and passion for early years

- Demonstratable capacity to deliver evaluations on time, on budget and to the required standard, with proven ability to flex resource capabilities and adapt to changing environments where required
- Appropriate project management, risk management and quality assurance expertise
- Ability to work collaboratively with a variety of stakeholders, including parents
- Strong communication skills.
- Knowledge of early nutrition and early healthy lifestyle initiatives
- Knowledge of parent and infant relationship initiatives
- Understanding of the Nottingham City context and the wider partnership that SSBC operates in
- Knowledge and awareness of behaviour change theory and practice
