### **II.2.4) Description of the procurement**

Individuals will have learning disabilities, autism, physical health needs, sensory impairment and/or mental health needs, but will not need support with personal care and end of life care.

Individuals may require support with the following:

- They may be living independently or with family or friends.
- They will need a small number of hours of support each week or month. The level of support

may reduce over time as they build confidence and independence. Support may not always need to be provided one-to-one.

- Support will include information, advice, practical support and connections to help people to make their own decisions, and to access training, volunteering, employment,

social and community activities.

- Active avoidance of restrictive and punitive approaches to managing behaviour that challenges, at all times
- Positive strategies to manage early warning signs or triggers, e.g., distraction techniques

#### **II.2.14) Additional information**

The framework term will be for 5 years however the Council reserves the right to extend the contract by further periods not exceeding 60 months (60 being the maximum available extension period) at the discretion of the Council based on the contract performance of the successful applicant
