II.2.4) Description of the procurement

The DfT is seeking an acoustic consultancy service which is specialised in construction noise to provide timely, high quality and specialist independent advice and support on a call-off basis in relation to the determination of any noise appeals which might occur under Schedule 27 to the High Speed Rail

(London-West Midlands) Act 2017 and (if applicable) Schedule 26 to the High Speed Rail (West Midlands-Crewe) Act 2021. The work of the acoustic consultant is expected to include (but is not limited to):

Investigation of the decision of the local authority as to whether the refusal to give consent, imposition of conditions on approval, or serving of a notice are appropriate; and

Preparing a report for Secretaries of State outlining the conclusions of investigation and presenting them with a recommendation.

The acoustic consultant will be required to work to all of the following key deliverables:

Reading the appeal and associated information provided by the parties;

Attending site visits, as appropriate;

Gathering and obtaining supporting information (e.g. through modelling or monitoring) as required to reach an informed conclusion;

Writing a report outlining conclusions and recommendation;

Attending meetings with DfT/Defra officials as required;

Answering queries raised by DfT/Defra officials and/or the Secretaries of State, as required;

Updating DfT on progress with the investigation on a weekly basis (or as required); and

Informing DfT of any new risks, and providing an explanation of how any existing risks are being managed, on a weekly basis (or as required).
