Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

- All the provision must be delivered in the funding year specified; there is currently no scope to carry forward any funding to the following year. All the learning aims and learners must be eligible for HE funding via the Student Loans Company in relevant year.
- Providers wishing to apply for this opportunity must have a track record of successful subcontract delivery of qualifications.
- The training must be delivered in full by the contracted training provider, i.e. only one level of subcontracting is permitted and no second level subcontracting is permitted.
- The Subcontractor, if awarded the contract, will be responsible for the recruitment of all learners, the delivery of training, the premises and resources required to deliver the training, awarding body accreditation and associated fees.
- The quality of provision will be paramount as the College will retain responsibility to the Office for Students for programme quality.

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.1) Information about a particular profession

Execution of the service is reserved to a particular profession

Reference to the relevant law, regulation or administrative provision

Education providers

III.2.2) Contract performance conditions

As indicated within the tender documents

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
