Engagement process description

A PIN was published 15/01/2025 - prior to PA2023 go live.

With the following information:

The reason for the PIN was to engage with providers within this market area to ensure the route to market that is put together meets our customers exact needs and requirements.

We were looking to shape this solution with the help of provider engagement to ensure the maximum coverage of goods and services.

Further engagement activity may be conducted with respondents to clarify responses.

All respondents to the PIN were issued with a questionnaire.
