- UK - United Kingdom

II.2.4) Description of the procurement

The Salvage and Marine Operations (SALMO) Team, part of the UK Ministry of Defence (MOD) acting on behalf of the Department for Transport, have a requirement for the provision of Unexploded Ordnance services in order to support the successful delivery of the 700759373 / S&MOCB/3372 - SS Richard Montgomery Mast Removal requirement. These services are likely to include, but not confined to survey of seabed area in vicinity of wreck site, identification and removal for safe disposal of UXO, and confirmatory survey that area is safe from UXO. The Authority plans to issue a Contract Notice for this requirement. A DSPCR 2011 Restricted Procedure competition shall follow with the intention to award the contract by the end of 2021. Due to the nature of the services required, tenderers may be subject to security checks and/or additional scrutiny prior to contract award.

If you believe your company would be a suitable provider for this requirement and would like to be kept up to date with any information relating to this opportunity, then please contact DESShipsComrcl-SALMO-Multiuser@mod.gov.uk .

II.3) Estimated date of publication of contract notice

31 October 2021

Section IV. Procedure
