Body governed by public law

I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Single Use PPE and Medical Protective Consumables

II.1.2) Main CPV code

- 33199000 - Medical clothing

II.1.3) Type of contract

Supplies

II.1.4) Short description

This is a Contract Notice in advance of the

procurement of a multi-supplier framework agreement for the supply of Single Use PPE and

Medical Protective Consumables. The scope of requirements includes but is not limited to the following products designed to protect both clinicians, staff and patients from cross contamination:

single use gowns, drapes, respirators, face masks, eye protection,

headwear, overshoes and other relevant medical protective wear. The products in this

category are part of a mega-category; sterile intervention equipment and associated

consumables which covers both medical equipment and commodity type products used in operating theatres, day surgery in acute / foundation trusts and community settings.

II.1.5) Estimated total value

Value excluding VAT: £5,000,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Single Use Sterile Surgical Gowns

Lot No

1

II.2.2) Additional CPV code(s)

- 18143000 - Protective gear
- 33140000 - Medical consumables
- 33199000 - Medical clothing

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot comprises of surgical gowns these are Standard Lite, Standard, Standard high performance, Reinforced, Zone Impervious, Fully Impervious and must meet BS EN 13795-1:2019 or equivalent standard.

Sterile gowns are Intended to minimise the transfer of infective agents between patient and healthcare staff during surgical and other invasive procedures. The use of surgical gowns with resistance to the penetration of fluids can also reduce the risk to healthcare staff from infective agents carried in blood or body fluids

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Single Use Non-Sterile Gowns

Lot No

2

II.2.2) Additional CPV code(s)

- 18143000 - Protective gear
- 33140000 - Medical consumables
- 33199000 - Medical clothing

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot comprises of non-sterile gowns such as isolation gowns and patient gowns. Any non-sterile gown under this lot must meet BS EN 13795:2019 or equivalent standard.

An Isolation gown is worn as part of the PPE and is a non-sterile gown designed to protect the healthcare worker from infective agents carried in blood or body fluids of patients.

A patient gown is worn to protect the modesty of a patient whilst having a medical or surgical procedure or examination. These gowns must be opaque to maintain the dignity of the patient.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Single Use Patient and Equipment Drapes

Lot No

3

II.2.2) Additional CPV code(s)

- 33140000 - Medical consumables
- 39515200 - Drapes
- 39518100 - Operating-theatre drapes
- 39518200 - Operating-theatre sheets

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot comprises of surgical patient and equipment drapes and must meet BS EN

13795:2019 or equivalent standard.

A patient drape is defined as a medical device which covers the patient creating a sterile field

around the surgical site and which acts as a barrier to prevent the risk of surgical site

infection. An equipment drape is defined as a medical device which is used to cover nonsterile

equipment for use in the sterile field.

Design features on drapes, enable easy and efficient draping by one person, often

specific to

the needs of a particular surgery with adaptations for tubing, instruments and even the change

of patient position, along with skin adhesives as appropriate, also includes equipment

drapes which maintain the sterile field in surgery, differentiate the market offers and ensure

greater stakeholder interest.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Single Use Respirators and Fit Testing Solutions

Lot No

4

II.2.2) Additional CPV code(s)

- 18143000 - Protective gear
- 33140000 - Medical consumables

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot comprises of single use respirators and fit testing solutions.

FFP respirators must meet BS EN 149:2001+A1:2009 or equivalent, the European standard

on FFP mask requirements and test methods. FFP masks are Personal Protective Equipment

designed to protect against particulates, infectious agents or pollutants in the form of aerosols, droplets, or small solid particles.

FFP3 masks provide 99% filtering efficiency whilst FFP2 masks provide 94% filtering efficiency.

Fit test kits and solutions are products to aid the fit testing of FFP masks. These products can be provided as a kit or standalone solutions.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Single Use Surgical Face Masks Type II & Type IIR

Lot No

5

II.2.2) Additional CPV code(s)

- 18143000 - Protective gear
- 33140000 - Medical consumables

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot comprises of surgical masks and must meet EN 14683:2019 or equivalent, the European

standard on surgical mask requirements and test methods. The main intended use of medical face

masks is to minimise transfer of infectious agents (germs) by large particle droplets between

healthcare staff and a patient during surgical procedures and other medical/healthcare settings

with similar requirements (in the case of Type II masks). Additionally, in certain circumstances it is

intended to protect the wearer against splashes of potentially contaminated liquids (in the case of

Type IIR masks). These can be standalone masks or with a built-in visor.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Single Use Eye Protection

Lot No

6

II.2.2) Additional CPV code(s)

- 18100000 - Occupational clothing, special workwear and accessories
- 18142000 - Safety visors
- 18143000 - Protective gear
- 18444000 - Protective headgear
- 33140000 - Medical consumables
- 33734000 - Spectacles
- 33735000 - Goggles

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot comprises of single use eye protection such as goggles/glasses and face shields/visor and must meet EN166:2002 or equivalent.

Goggles/glasses are made with a flexible plastic frame and one or two lenses with a flexible

elastic headband. Some can be worn with prescription glasses. Goggles/glasses give the eyes

protection from all angles as the complete rim is in contact with the face. Goggles/glasses provide barrier protection to the eyes against exposure to liquid droplets and splashes.

Glasses can be provided as single units or in 2 parts.

Face shields/visors have one large lens with a frame and adjustable head harness or are mounted on a helmet. Most can be worn with prescription glasses. They provide barrier protection against liquid splashes to the face but do not fully enclose the eyes.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Single Use Protective Wear

Lot No

7

II.2.2) Additional CPV code(s)

- 18100000 - Occupational clothing, special workwear and accessories
- 18114000 - Coveralls
- 18143000 - Protective gear
- 18441000 - Hats
- 18443000 - Headgear and headgear accessories
- 18444000 - Protective headgear
- 33140000 - Medical consumables
- 33199000 - Medical clothing

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

This Lot comprises of theatre headwear, beard covers, overshoes, scrub suits and coveralls.

Theatre headwear is worn to cover the head and hair, providing a barrier to minimise the direct transmission of contaminants into the surgical site.

Beard covers are worn to cover facial hair, providing a barrier to minimise the direct transmission of contaminants into the surgical site.

Overshoes and Over boots are designed to cover footwear, providing a barrier to minimise the direct transmission of contaminants into a designated clean area.

Disposable scrub suits are mainly intended to provide a clean barrier in sterile environments and other clinical treatment environments and must meet BS EN 13795:2019 or equivalent.

Coveralls/protective suits must be designed to cover the whole body except for the hands, feet and face area, providing a barrier to airborne and fluid-borne contaminants and pathogens.

Type 4B must meet BS EN 14605:2005 + A1:2009 and class 6 of BS EN 14126:2003 or equivalent

Type 5B must meet BS EN ISO 13982-1:2004+A1:2010 or equivalent

Type 6B must meet BS EN 13034:2005 + A1:2009 and at least Class 2 of BS EN 14126:2003 or equivalent

Thumb looped aprons are used for tasks where fully impervious non-sterile protection is needed and must meet BS EN 13795:2019 or equivalent.

Warm up jackets are worn to keep the wearer warm whilst in an air-conditioned environment.

Warm up jackets are non-sterile and must meet BS EN 13795:2019 or equivalent.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2021/S 000-007480](#)

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

13 August 2021

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 48 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

13 August 2021

Local time

12:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

VI.3) Additional information

Accessing the tender:

This procurement exercise will be conducted on the NHS Supply Chain eProcurement portal

at <https://nhssupplychain.app.jaggaer.com/>

Applicants wishing to be considered for this contract must register their expression of interest and provide additional procurement-specific information (if required) through the NHS Supply Chain eProcurement portal as follows:

Registration:

1) use URL <https://nhssupplychain.app.jaggaer.com/> to access the NHS Supply Chain Procurement portal;

2) if not yet registered:

— click on the 'Register Here' link to access the registration page,

— complete the registration pages.

Portal access:

If registration has been completed:

— login with URL <https://nhssupplychain.app.jaggaer.com/>

— Applicants should download the Supplier User Guide located within the eProcurement portal.

- Select “My ITT’s”,
- Select the three “...” to the top right hand side of the screen.
- Select “Help for Suppliers”. This will then open a new screen with a library of guidance document and a video which will guide you through how to submit a compliant bid.

Support:

Should Applicants require any system support or help to locate and submit a bid for the opportunity they should contact the Jaggaer Helpdesk on;

Tel: 0800 069 8630

Email: help_uk@jaggaer.com
