Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Green Social Prescribing Non-Medical Interventions for highly complex people

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

The green social prescribing non-medical intervention support for people living with or facing health inequalities or complex needs is an integral component of the Community Based model across IES aiming to reduce health inequalities. It focuses on prevention and enables our communities to support and promote health and wellbeing for specific Core20Plus5 identified priorities - hypertension and chronic respiratory diseases. This is a two year programme, joining up a range of community, primary care, secondary care and VCFSE prevention programmes into a Community Based Approach focusing on improving diagnosis rates of hypertension to reduce cardiac events, raising awareness of mitigations for modifiable behaviours and risk factors, offering a range of non-medical interventions based on referral model from primary care, secondary care, INTs and wider Community Champions and anchor institutions.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £150,000

II.2) Description

II.2.3) Place of performance

- UKH14 - Suffolk

Main site or place of performance

Ipswich and East Suffolk

II.2.4) Description of the procurement

This green social prescribing non-medical intervention programme for people with or facing health inequalities or complex needs is an integral component of the Community Based model across IES aims to reduce health inequalities. The contract length is two years from contract start date (it is intended to begin as soon as possible within quarter 1 of 2024/25). The two-year contract value is £150,000 in total.

NHS Suffolk and North East Essex Integrated Care Board are awarding the contract named within this notice under the Direct Award C process which is outlined within the Health Care Services (Provider Selection Regime) Regulations 2023. The provider named

in this notice is an existing provider and has been reviewed through a Key Criteria assessment to ensure the awarding body is satisfied with current performance and reasonably expects the provider to be able to satisfy the contract which is the subject of this notice. The contract which is the subject of this notice has not changed considerably when compared with the existing / previous contract delivered by the named provider.

The ICB may wish to introduce additional services during the lifetime of the contract ("Contract modifications"). Such contract modifications will be contemplated where additional requirements are similar and or complementary to the services already included in the Specification, at any given time. Such expansion would be by the addition of services commissioned by the Authority as named in the Contract Notice. To this end, after the award of contract, there is a possibility that the contract may be varied as allowable in accordance with the Health Care Services (Provider Selection Regime) Regulations 2023.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 100

Price - Weighting: 0

II.2.11) Information about options

Options: Yes

Description of options

Provision will be built into a NHS Short form contract to have an extension clause for a further two years (subject to funding approval).

II.2.14) Additional information

The existing provider is satisfying the original contract and will likely satisfy the proposed contract to a sufficient standard.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period.

Representations by providers must be made to decision makers by 1st May 2024. They should be submitted in writing to procurement@snee.nhs.uk.

This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

Award decision-makers: Connect Steering Group, Executive Delivery Group and Health Inequalities Steering group.

- No conflicts of interest, or potential conflicts of interest, were declared by any decision makers.

The decision to award this contract in line with Direct Award Process C was based on evaluation against the five required key criteria as follows:

- Quality and Innovation - Assured - SNEE ICB are assured that Shaw Trust are delivering a safe and effective service as required by the specification and contract they are currently delivering. This criterion was reviewed in line with the Quality Impact Assessment.
- Value - Assured - SNEE ICB are assured that Shaw Trust are delivering value to the integrated care system and the cost of change would not be outweighed by the potential benefit of a new provider.
- Integration, Collaboration and Service Sustainability - Assured - SNEE ICB are assured

that Shaw Trust are positively impacting on the integrated care system through their integration and collaboration delivered as a requirement of the specification or alternative elements linked to the delivery.

- Improving Access, Reducing Health Inequalities and Facilitating Choice - Assured - SNEE ICB are assured that Shaw Trust are meeting needs of the population to ensure equitable access and choice as required by the specification and contract. This criterion was reviewed in line with the Equality Impact Assessment.

- Social Value - Assured - SNEE ICB are assured that Shaw Trust are delivering in line with the SNEE Green Plan, supporting with the implementation of carbon reduction and increase in initiatives which positively impact on the wider determinants of health. This criterion was reviewed in line with the Sustainability Impact Assessment.
