- 72000000 - IT services: consulting, software development, Internet and support
 - JA02 - For computer software

II.1.3) Type of contract

Services

II.1.4) Short description

Crescent Purchasing Consortium are looking to establish a framework agreement or DPS to commence on 1st September 2022. This PIN has been published to gain pre-market engagement to develop the documentation and the scope of the resulting agreement or DPS.

The resulting agreement or DPS will be open to CPC members for which details are available at the below link. A list of members within a region, can then be viewed by clicking on each region name:

<https://www.thecpc.ac.uk/members/regions.php>

Future members of the CPC will be from the education sector, with details available here: <https://www.gov.uk/guidance/get-information-about-schools>

Membership of CPC is free for Institutions, and there is no mandate upon members to use the agreement or DPS put in place. Funding for CPC's services is provided by retrospective marketing premiums from approved suppliers, based on spend with CPC members.

Local Authorities may also wish to use the resulting agreement or DPS when procuring on behalf of Educational Establishments. CPC reserves the right during the period of this

agreement or DPS to make additions to or subtractions from the list of participating Institutions.

CPC is part of the CPL Group. CPL Group is owned by the education sector and is comprised of three not-for-profit procurement organisations that provide support and services to educational establishments and the wider public sector; Crescent Purchasing Consortium, Tenet Education Services and Tent Procurement Services.

Further details can be found at the below link:

<https://cpl.group/>

At some point during the life of the agreement or DPS the current members of the following public sector organisations may wish to utilise the agreement or DPS and should have access at any point with the ex-press permission of CPL Group through its group company Tenet Procurement Services which operates in the wider public sector. This agreement or DPS is not intended to replace any current agreements that either participating or non-participating Institutions may already have in place.

<https://www.thecpc.ac.uk/suppliers/eligible-public-sector-bodies.php>

It is not known if this agreement will be split into lots at this stage

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

At CPC members sites located throughout the UK.

II.2.4) Description of the procurement

CPC are looking to establish a framework agreement or DPS for Corporate and

Educational Software for which pre-market engagement will assist in the development of the scope for the CPC membership and the Wider Public sector.

As a minimum the agreement or DPS is likely to cover: Financial Management Software, Human Resource Software, Payroll System Software, Student Records Software - Academy Learner Management Systems and College Learner Management Software

The scope is also to include off-the-shelf software and bespoke software.

This PIN is to inform the market and for CPC to engagement in pre-market research to develop the resulting agreement or DPS. Potential suppliers who wish to take part in this market engagement exercise are asked to contact Jane Edwards - j.edwards@thecpc.ac.uk for further details.

II.3) Estimated date of publication of contract notice

1 October 2021
