II.1.4) Short description

The London Borough of Redbridge (“the Authority”) is seeking expressions of interest for the procurement of the Provision of the 0-19 Healthy Child Programme (Health Visiting, School Nursing and Family Nurse Partnership).

The Healthy Child Programme will provide an integrated Health Visiting, Family Nurse Partnership and School Nursing Service and deliver a full Healthy Child Programme 0-19 years with a focus on working across services and organisational boundaries for babies, children, young people aged 0-19 and their families to improve public health outcomes.

The service is scheduled to commence on 1st July 2022. It is anticipated that the contract will be for a period of three years with possible extensions, dependent on performance but that is yet to be confirmed.

Redbridge is an ambitious, diverse and exciting east-London borough. What we do is driven by changing our relationship with local people to support our vision. As a result, we've developed innovative ways to build our communities and transform our Council. We're one of the fastest growing parts of the country and the third most diverse London borough. Our communities are attracted by a mixture of excellent schools, relatively affordable housing, high-quality open space and rapid transport connections into the heart of the City.

Please note that this exercise is intended to assess the level of interest from potential providers, to provide the services outlined above and help inform the service.

Your responses are not “evaluated” or scored as this exercise is not part of a procurement process this is for engagement and development purposes.
