Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

NHSScotland Lead Advisor Consultant Framework (2023)

II.1.2) Main CPV code

- 71000000 - Architectural, construction, engineering and inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

This Framework will provide Lead Advisor services to Framework Customers (as further described in the

Statement of Requirement). The role of the Lead Advisor is varied and may include

a range of advisory, design discipline, inspection and supervision services and building surveying inputs to health and social care

programmes of work and projects to be delivered via a variety of procurement routes. It will be a key requirement of this Framework

to provide an integrated Advisor service for construction projects procured under the NEC4 suite of contracts.

The authority is not able to guarantee the volume, type or value of any work called off under the framework however the current estimate

of the total potential value over the term of the framework is noted within the contract notice. The current realistic anticipated framework expenditure is circa 10 million GBP, however the maximum anticipated expenditure for the framework is 20million GBP given the potential for additional funding to be allocated to the NHSScotland Capital Programme over the life of the framework.

II.1.5) Estimated total value

Value excluding VAT: £20,000,000

II.1.6) Information about lots

This contract is divided into lots: No
