#### II.1.4) Short description

The South East London Integrated Care Board (SEL ICB) is in the process of designing a new 111 model of care for our residents. Our current 111 Integrated Urgent Care (111 IUC) service contract is due to expire in March 2026. SEL ICB is working to develop a new model that considers other key transformational deliverables across our sector, including:

- Fuller Stocktake Report,
- Delivery Plan for Recovering Access to General Practice,
- Delivery Plan for Recovering Urgent and Emergency Care,
- Single Enhanced Access Services, and
- Long Term Plan

We are reaching out to 111 providers and SEL system partners to:

- share with you our plans for the procurement of a new 111 service for South East London.
- receive your feedback on the proposed service design and timelines.
- hear any concerns that you have and your ideas for how these might be mitigated.
- receive your input into the design of a local model of Clinical Assessment Service delivery.

To register your interest in attending an event near London Bridge Station on the 11.06.2024, please provide your organisation's name and contact details to [kieran.james-paterson@nhs.net](mailto:kieran.james-paterson@nhs.net), along with the names, job titles, and email addresses of your proposed attendees (no more than 2 per organisation as space is limited). This must be completed by the midday on the 4th June in order to be able to attend, registrations received after this point will not be guaranteed an invitation to the event.
