As a Registered Provider of Social Housing St Anne's owns and/or manages both individual dwellings and HMO's across Yorkshire & The Humber.

Our homes require responsive repairs & maintenance and safety compliance works on a regular basis.

Due to the nature, geography and modest work volumes, it does not make commercial sense for St Anne's to appoint a single supplier. Instead, the intention is to appoint a Panel of contractors who can be issued individual work orders on the basis of suitability and availability.

Appointment to the Panel does not confer any guarantee of either minimum value or volume of work to be awarded.
