Medical Gas, Nitric Oxide and Medical Liquid Oxygen

NHS London Procurement Partnership are preparing to develop a new Framework Agreement for the Provision of Medical Gas Cylinders including Nitric Oxide Medical Gas Therapy and Medical Liquid Oxygen. This will replace two current framework agreements which are soon to expire,

- The supply and rental of compressed medical gas cylinders and the provision of cylinder asset tracking systems
- Nitric Oxide Therapy.

Liquid Medical Oxygen has not been tendered previously. The general service

requirements are the supply and installation of the Vacuum Insulated Evaporator (VIE) and back-up facility, rental, depreciation and maintenance of the VIE/s and back-up/s; in addition to the supply of liquid oxygen.

A Supplier Engagement meetings are available to all interested parties 12th June 11am. Please email rebecca.mcqueen@lpp.nhs.uk for joining instructions. This meeting is not compulsory to bidding, we cannot guarantee that other times will be available.
