**II.1.4) Short description**

The tender consists of 4 lots, the first 3 lots require the tenderers to courier potable water samples from Southern Water collection points to their testing facilities and analyse potable water samples.

Lot 4 is the couriating waste water samples from Southern Water collection points to their testing facilities and analyse waste water samples.

The 4 lots are considered separate services and Tenderers can tender for one or multiple services.

Please note, it is Southern Water's intention to award either Lot 1, or Lots 2 and 3, depending on the efficiencies that can be provided through having one accountable supplier for all potable water testing services.

In responding to this tender, you are confirming you are able to undertake the full suite of services set out in this Framework Agreement and associated schedules.
