## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Non-recurrent funding of £555,575 to Royal Surrey NHS Foundation Trust (RSCH) for 2025/26, in response to increased maternity activity and complexity for existing service, effective from 22/01/2026.

This funding will support, safe service delivery amid rising demand, enable collaborative care across RSCH and ASPH, uphold patient choice and equitable access and facilitate system-wide planning and accurate activity reporting and development of a group model for maternity.

Funding provided as non-recurrent support, to shared clinical teams, standardised communications, partnership working, and financial transparency. This award does not set a precedent.

The modification is made at the discretion of the relevant authority and the modification does not render the contract or framework agreement materially different in character and:

The cumulative change in the lifetime value of the contract or framework agreement, compared to its value when it was entered into, is over £500,000 but less than 25% of the total contract value.

#### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Non-recurrent funding in response to increased maternity activity and complexity for existing service.

#### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £544,824,648

Total contract value after the modifications

Value excluding VAT: £545,380,223
