Section II: Object

II.1) Scope of the procurement

II.1.1) Title

COV - Road Weather Stations and Winter Maintenance

Reference number

COV - 10066

II.1.2) Main CPV code

- 38127000 - Weather stations

II.1.3) Type of contract

Supplies

II.1.4) Short description

Tenders are invited for the supply and installation of equipment and maintenance in accordance with the information and specification detailed within this invitation to tender. This procurement is to appoint a single supplier, who can provide equipment and services to any of the authorities list under section 2.9 Collaborating Authorities. The supplier will be required to carry out pre-winter and mid-winter calibration and maintenance for all weather stations as instructed, and any ad hoc remedial work as requested. The supplier will also be required to provide a bureau service, to ensure that the data is available in line with the details within the specification, including TfWM and the appointed weather forecast supplier. Individual Authorities may require decommissioning and disposal of existing RWS. Individual Authorities may require traffic management as part of this framework.

II.1.5) Estimated total value

Value excluding VAT: £1,200,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKG - West Midlands (England)

Main site or place of performance

West Midlands and Warwickshire

II.2.4) Description of the procurement

Tenders are invited for the supply and installation of equipment and maintenance in accordance with the information and specification detailed within this invitation to tender. This procurement is to appoint a single supplier, who can provide equipment and services to any of the authorities list under section 2.9 Collaborating Authorities. The supplier will be required to carry out pre-winter and mid-winter calibration and maintenance for all weather stations as instructed, and any ad hoc remedial work as requested. The supplier will also be required to provide a bureau service, to ensure that the data is available in line with the details within the specification, including TfWM and the appointed weather forecast supplier. Individual Authorities may require decommissioning and disposal of existing RWS. Individual Authorities may require traffic management as part of this framework.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

It is anticipated that the tender for maintenance will be tendered 6 to 12 months in advance of the expiry date.
