Published 24 April 2025, 9:47am

Scope

Reference

RM6347

Description

This framework is for the provision of transport and mobility services. This agreement supplies technology goods and services for sustainable urban, rural and intercity transport and mobility. This includes:

- transport technology for aviation, rail, road, urban and maritime sectors
- transport system integration, ITS, Back Office & Data
- professional Services & Data Consultancy for Transport
- smart ticketing
- electric vehicle charging solutions & infrastructure

- parking infrastructure & management
- environmental monitoring for and of transport solutions
- enforcement & compliance solution
- connected infrastructure, Internet of things and real time data, “Smart Cities” or “Connected Places”

Commercial tool

Establishes an open framework

A series of frameworks with substantially the same terms. Awarded suppliers are carried over and new suppliers can bid.

Total value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 16 October 2025 to 15 October 2027
- Possible extension to 15 October 2028
- 3 years

Description of possible extension:

This competition is for the award of framework one in the scheme of frameworks.

Framework one (1) is for a term of 24 months with an option to extend for 12 months.

Framework two (2) will be for a term of 24 months with an option to extend up to a maximum of 12 months

Framework three (3) which is the final framework will last 24 months, depending on whether we exercised the option to extend framework two (2).

The open framework will last 8 years in total.

CCS reserves the right to extend lots by varying durations.

Main procurement category

Services

Contract locations

- UK - United Kingdom
- GG - Guernsey
- IM - Isle of Man
- JE - Jersey

Not the same for all lots

CPV classifications are shown in Lot sections, because they are not the same for all lots.

Lot 1. Transport Professional Services

Description

Transport related professional services, consultancy and project management. Services include:

- scope and project feasibility studies
- training and behavioural change
- development of strategy for deployment of Mobility as a Service (Maas)
- design consultancy for transport infrastructure
- Home Office Type Approval (HOTA) assurance, testing and evaluation (this covers road traffic enforcement devices such as speedmeters and breath testing equipment)

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 34900000 - Miscellaneous transport equipment and spare parts

- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 50100000 - Repair, maintenance and associated services of vehicles and related equipment
- 51300000 - Installation services of communications equipment
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 71320000 - Engineering design services
- 71350000 - Engineering-related scientific and technical services
- 71600000 - Technical testing, analysis and consultancy services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 75240000 - Public security, law and order services
- 79212000 - Auditing services
- 79300000 - Market and economic research; polling and statistics
- 79930000 - Specialty design services
- 80520000 - Training facilities
- 50200000 - Repair, maintenance and associated services related to aircraft, railways, roads and marine equipment

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2. Transport Data Services

Description

Transport related data services for collecting, processing, analysing and sharing data. Services include:

- traffic flow analysis
- vehicle movement analysis
- public transit scheduling
- passenger counting
- infrastructure utilisation

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation

- 34900000 - Miscellaneous transport equipment and spare parts
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 50100000 - Repair, maintenance and associated services of vehicles and related equipment
- 50200000 - Repair, maintenance and associated services related to aircraft, railways, roads and marine equipment
- 51300000 - Installation services of communications equipment
- 71600000 - Technical testing, analysis and consultancy services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 79212000 - Auditing services
- 79300000 - Market and economic research; polling and statistics

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 3. Parking Management

Description

Parking related goods and services to manage your parking needs. Includes on-street and off-street car parking. This includes:

- parking enforcement services

- back office parking software and applications
- parking operational management
- parking infrastructure, including bay mark, pay meters, customer service kiosks, signage and wayfinding, barriers and more

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 34900000 - Miscellaneous transport equipment and spare parts
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 44110000 - Construction materials
- 44210000 - Structures and parts of structures
- 44320000 - Cable and related products

- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45310000 - Electrical installation work
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 63710000 - Support services for land transport
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 71320000 - Engineering design services
- 71350000 - Engineering-related scientific and technical services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 75240000 - Public security, law and order services
- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services
- 79620000 - Supply services of personnel including temporary staff
- 79710000 - Security services
- 79940000 - Collection agency services
- 90910000 - Cleaning services
- 92220000 - Television services
- 98350000 - Civic-amenity services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are

the same for all lots.

Lot 4. Environmental Monitoring & Climate Resilience

Description

Technology that can help you understand and address issues that affect the environment. This includes:

- professional services
- data and software services
- environmental monitoring solutions (weather, air quality, light, water, noise, dust and vibration)
- animal and ecological technology to monitor the location, movement and behaviour of animals and other biological elements

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 09330000 - Solar energy
- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies

- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 34900000 - Miscellaneous transport equipment and spare parts
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 44110000 - Construction materials
- 44210000 - Structures and parts of structures
- 44320000 - Cable and related products
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45310000 - Electrical installation work
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 63710000 - Support services for land transport
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 71320000 - Engineering design services
- 71350000 - Engineering-related scientific and technical services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 75240000 - Public security, law and order services
- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services

- 79710000 - Security services
- 80540000 - Environmental training services
- 90700000 - Environmental services
- 92220000 - Television services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 5. Enforcement, Security and Compliance

Description

Enforcement, security, compliance and emergency service technologies and services. This includes:

- road traffic law enforcement devices (RTLED)
- enforcement systems that allow official records or measurements to be captured using a verified and approved device
- technology systems and services to prevent trespass, property damage and theft, anti-social behaviour and enhance security
- technologies for incident safety, or for emergency response

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 09330000 - Solar energy
- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 34900000 - Miscellaneous transport equipment and spare parts
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 44110000 - Construction materials
- 44210000 - Structures and parts of structures
- 44320000 - Cable and related products
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45310000 - Electrical installation work
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 71320000 - Engineering design services

- 71350000 - Engineering-related scientific and technical services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services
- 79940000 - Collection agency services
- 92220000 - Television services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 6. Zero Emission Vehicle Infrastructure

Description

Electric vehicle charging infrastructure. This includes:

- professional services
- vehicle charging points
- energy generation and storage
- infrastructure and ancillaries associated with charge points, such as barriers, accessibility, signage and more

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 09330000 - Solar energy
- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 44110000 - Construction materials
- 44210000 - Structures and parts of structures
- 44320000 - Cable and related products
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45310000 - Electrical installation work
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 71310000 - Consultative engineering and construction services
- 71320000 - Engineering design services

- 71350000 - Engineering-related scientific and technical services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services
- 79710000 - Security services
- 92220000 - Television services
- 71240000 - Architectural, engineering and planning services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 7a. Transport System Integration

Description

This will help you combine your hardware, software and other components to create a unified transport system. Some services include:

- system integration
- project management
- system configuration
- maintenance and support
- security and compliance

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30160000 - Magnetic cards
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 34900000 - Miscellaneous transport equipment and spare parts
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 79212000 - Auditing services

- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services
- 79940000 - Collection agency services
- 92220000 - Television services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 7b. Smart Ticketing

Description

System integration specifically for smart ticketing and integrated travel. This includes:

- ticketing solutions
- payment systems
- customer service
- back office tools

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30160000 - Magnetic cards
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 79212000 - Auditing services
- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services
- 79940000 - Collection agency services
- 92220000 - Television services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 7c. Transport Network Management

Description

Back office requirements within transport. This involves intelligent asset management capabilities, system packages, software and services to support network operation and management.

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30160000 - Magnetic cards
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 35000000 - Security, fire-fighting, police and defence equipment

- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 79212000 - Auditing services
- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services
- 79940000 - Collection agency services
- 92220000 - Television services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 8a. Network Devices

Description

Systems and equipment to support the installation and maintenance of wired, wireless, and mobile transport communications.

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 09330000 - Solar energy
- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 39110000 - Seats, chairs and related products, and associated parts
- 44110000 - Construction materials
- 44210000 - Structures and parts of structures
- 44320000 - Cable and related products
- 44420000 - Goods used in construction
- 44520000 - Locks, keys and hinges
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45310000 - Electrical installation work

- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 71320000 - Engineering design services
- 71350000 - Engineering-related scientific and technical services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services
- 79710000 - Security services
- 79930000 - Specialty design services
- 79950000 - Exhibition, fair and congress organisation services
- 90910000 - Cleaning services
- 92220000 - Television services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 8b. Cabinets, Furniture, Storage & Ancillaries

Description

Supply of goods and associated installation services for:

- equipment cabinets
- street furniture
- fencing
- security systems
- equipment storage
- minor structures
- related ancillaries and hardware such as bracketry, fixings, security features and safety

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 09330000 - Solar energy
- 18100000 - Occupational clothing, special workwear and accessories
- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 34900000 - Miscellaneous transport equipment and spare parts

- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 39110000 - Seats, chairs and related products, and associated parts
- 44110000 - Construction materials
- 44210000 - Structures and parts of structures
- 44320000 - Cable and related products
- 44420000 - Goods used in construction
- 44520000 - Locks, keys and hinges
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45310000 - Electrical installation work
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 71320000 - Engineering design services
- 71350000 - Engineering-related scientific and technical services
- 72000000 - IT services: consulting, software development, Internet and support
- 73000000 - Research and development services and related consultancy services
- 79300000 - Market and economic research; polling and statistics
- 79420000 - Management-related services
- 79710000 - Security services
- 79930000 - Specialty design services
- 79950000 - Exhibition, fair and congress organisation services

- 90910000 - Cleaning services
- 92220000 - Television services

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 8c. Lighting & Electrical

Description

Permanently deployed lighting solutions for all transport modes and uses, including:

- professional services that covers lighting design and review
- street and exterior lighting equipment
- associated equipment

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 09330000 - Solar energy
- 18100000 - Occupational clothing, special workwear and accessories

- 30120000 - Photocopying and offset printing equipment
- 30200000 - Computer equipment and supplies
- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting
- 32000000 - Radio, television, communication, telecommunication and related equipment
- 34000000 - Transport equipment and auxiliary products to transportation
- 35000000 - Security, fire-fighting, police and defence equipment
- 38000000 - Laboratory, optical and precision equipments (excl. glasses)
- 39110000 - Seats, chairs and related products, and associated parts
- 44110000 - Construction materials
- 44210000 - Structures and parts of structures
- 44320000 - Cable and related products
- 44420000 - Goods used in construction
- 44520000 - Locks, keys and hinges
- 45230000 - Construction work for pipelines, communication and power lines, for highways, roads, airfields and railways; flatwork
- 45310000 - Electrical installation work
- 48000000 - Software package and information systems
- 50000000 - Repair and maintenance services
- 71240000 - Architectural, engineering and planning services
- 71310000 - Consultative engineering and construction services
- 71320000 - Engineering design services
- 71350000 - Engineering-related scientific and technical services
- 72000000 - IT services: consulting, software development, Internet and support

Lot 8e. Detectors, Informing Systems & Communication Technologies

Description

Equipment that spots, shows and shares traffic information, including:

- cameras and sensors
- electronic road signs
- emergency phones and radio systems

Lot value (estimated)

- £3,498,000,000 excluding VAT
- £4,197,600,000 including VAT

Framework lot values may be shared with other lots

CPV classifications

- 09330000 - Solar energy

Framework

Open framework scheme end date (estimated)

15 October 2033

Maximum number of suppliers

Unlimited

Maximum percentage fee charged to suppliers

1%

Further information about fees

The Supplier will pay, excluding VAT, 1% of all the Charges for the Deliverables invoiced to the Buyer under all Call-Off Contracts.

Framework operation description

Refer to Framework Schedule 7 - (Call-Off Award Procedure) for details on the award of contracts under this framework.

In the event that there is a challenge to the Competition and such a challenge is confined to any one particular Lot, the Authority reserves the right to the extent that it is lawful to do so, to conclude a Framework Contract with the successful Suppliers in respect of the Lot(s) that has (have) not been so challenged." and this should go in the lot descriptions the rest is covered in the ITT The Authority also reserves the right to extend Lots by varying durations.

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework

Refer to RM6347 Transport Technology - Customer List for details of contracting authorities that may use the framework.

Participation

Legal and financial capacity conditions of participation

Lot 1. Transport Professional Services

Lot 2. Transport Data Services

Lot 3. Parking Management

Lot 4. Environmental Monitoring & Climate Resilience

Lot 5. Enforcement, Security and Compliance

Lot 6. Zero Emission Vehicle Infrastructure

Lot 7a. Transport System Integration

Lot 7b. Smart Ticketing

Lot 7c. Transport Network Management

Lot 8a. Network Devices

Lot 8b. Cabinets, Furniture, Storage & Ancillaries

Lot 8c. Lighting & Electrical

Lot 8d. Traffic Management Technologies

Lot 8e. Detectors, Informing Systems & Communication Technologies

The conditions of participation relating to the legal and financial capacity are set out in the ITT, in the procurement specific questionnaire. The conditions of participation will be assessed in accordance with the assessment methodologies detailed in the procurement specific questionnaire and Attachment 2 How to tender.

Technical ability conditions of participation

Lot 1. Transport Professional Services

Lot 2. Transport Data Services

Lot 3. Parking Management

Lot 4. Environmental Monitoring & Climate Resilience

Lot 5. Enforcement, Security and Compliance

Lot 6. Zero Emission Vehicle Infrastructure

Lot 7a. Transport System Integration

Lot 7b. Smart Ticketing

Lot 7c. Transport Network Management

Lot 8a. Network Devices

Lot 8b. Cabinets, Furniture, Storage & Ancillaries

Lot 8c. Lighting & Electrical

Lot 8d. Traffic Management Technologies

Lot 8e. Detectors, Informing Systems & Communication Technologies

The conditions of participation relating to technical capability are set out in the ITT, in the procurement specific questionnaire. The conditions of participation will be assessed in accordance with the assessment methodologies detailed in the procurement specific questionnaire and Attachment 2 How to tender.

Particular suitability

Lot 1. Transport Professional Services

Lot 2. Transport Data Services

Lot 3. Parking Management

Lot 4. Environmental Monitoring & Climate Resilience

Lot 5. Enforcement, Security and Compliance

Lot 6. Zero Emission Vehicle Infrastructure

Lot 7a. Transport System Integration

Lot 7b. Smart Ticketing

Lot 7c. Transport Network Management

Lot 8a. Network Devices

Lot 8b. Cabinets, Furniture, Storage & Ancillaries

Lot 8c. Lighting & Electrical

Lot 8d. Traffic Management Technologies

Lot 8e. Detectors, Informing Systems & Communication Technologies

Small and medium-sized enterprises (SME)

Submission

Enquiry deadline

9 May 2025, 3:00pm

Tender submission deadline

28 May 2025, 3:00pm

Submission address and any special instructions

<https://crowncommercialservice.bravosolution.co.uk>

Tenders may be submitted electronically

Yes

Languages that may be used for submission

English

Award decision date (estimated)

16 October 2025

Award criteria

Lot 1. Transport Professional Services

Name	Type	Weighting
Transport Professional Services - Technical Question	Quality	56%
