General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

2323880

II.1.2) Main CPV code

- 79996100 - Records management

II.1.3) Type of contract

Services

II.1.4) Short description

The Government manages the records of the former British Coal Corporation. This is a combination of business documents and personal data which includes a significant number of historic occupational health claims files. In part, this is to enable us to respond to disease/illness personal injury claims arising from working for the Corporation pre-privatisation in 1994. We also have a duty to ensure that the information is kept safe and is managed securely.

We require a service that enables:

- secure storage of over 2.8m physical records and 47m digital records
- the ability to retrieve these promptly and to provide them to the public and the

Department's contractors as appropriate

- scanning of physical records for onward processing
- preparation and transfer of records to The National Archives
- disposal of records no longer required
- the hosting of a digital platform that allows contractors to access records
- the facility to search documents in terms of categories, e.g various types of colliery minutes and key work searches.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £2,323,880

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Government manages the records of the former British Coal Corporation. This is a combination of business documents and personal data which includes a significant number of historic occupational health claims files. In part, this is to enable us to respond to disease/illness personal injury claims arising from working for the Corporation pre-privatisation in 1994.
