#### **II.1.4) Short description**

Peel Ports owns and operates six of the UK's most important ports (Port of Liverpool, Heysham Port, Manchester Ship Canal, Medway (Sheerness / Chatham), Clydeport (Greenock, Hunterston, Ardrossan) and Great Yarmouth). It also operates a container terminal in Dublin.

Peel Ports requires consultancy firms to provide services that cover a variety of disciplines (as identified in the Scope & Specification) which are deployed onto specific capital projects, studies and feasibility work. The skills required within each discipline include project management, engineering advice, design work and health and safety guidance.

Peel Ports also requires temporary services predominantly in project management and quantity surveying roles, where supplier personnel are situated within the capital projects team to assist with the progression of projects and provide commercial support in a timely and effective manner.
