The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

NI Water have chosen to release this tender for less than the required 35 days for an Above-Threshold tender, permissible under Reg 45(5) as below. A previous tender for this requirement was published, however a decision was taken not to award.. Security of supply of laboratory consumables is critical to NI Water to enable us to continue to deliver safe drinking water and wastewater services to the public. For this reason a reduced timeframe is necessary.. . 45(5) Where a state of urgency duly substantiated by the utility renders impracticable the time limit laid down in paragraph (2), it may fix a time limit which shall be not less than 15 days from the date on which the contract notice is sent.
