Section II: Object

II.1) Scope of the procurement

II.1.1) Title

DMNH 029 - Built Environment Consultancy Contract supporting the Built Environment, Placemaking, Highways and Transport

Reference number

DMNH 029

II.1.2) Main CPV code

- 71310000 - Consultative engineering and construction services

II.1.3) Type of contract

Services

II.1.4) Short description

Shropshire Council is procuring services to support its built environment, including placemaking, highways and transport. The Council is seeking a broad range of disciplines from a single provider or a consortium of providers. The services include strategic services to achieve the Council's placemaking and economic development aims, advice on highway asset management and delivery and the provision of engineering design and other technical services. A key component of the contract is developing and operating a data and governance office (DGO) to manage the flow of information and decisions needed to achieve delivery at pace. The DGO will integrate into the Council's wider management office plans to support the Place Directorate in its aims.

II.1.5) Estimated total value

Value excluding VAT: £100,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

- UKG22 - Shropshire CC

Main site or place of performance

Shropshire CC

II.2.4) Description of the procurement

Shropshire Council is procuring services to support its built environment, including placemaking, highways and transport. The Council is seeking a broad range of disciplines from a single provider or a consortium of providers. The services include strategic services to achieve the Council's placemaking and economic development aims, advice on highway asset management and delivery and the provision of engineering design and other technical services. A key component of the contract is developing and operating a data and governance office (DGO) to manage the flow of information and decisions needed to achieve delivery at pace. The DGO will integrate into the Council's wider management office plans to support the Place Directorate in its aims.

The Consultant will support the projects needed to be awarded Government funding to support the placemaking and infrastructure requirements of the Council.

The contract will provide strategic and technical services including but not limited to:

- Highways and Transport Engineering Services;
- Placemaking and Economic Development;
- Major Projects;
- Data Management and Governance Support;
- Net Zero, Climate Change, and advice on Energy Transition;
- Planning; and
- Asset Management.

The value of the contract is estimated at £10m per annum. The Consultant will support the projects needed to be awarded Government funding to support the placemaking and infrastructure requirements of the Council. Full list of Services and CPVs is as follows:

71000000: Architectural, construction, engineering and inspection services

71300000: Engineering services

71310000: Consultative engineering and consultative services

71311210: Highway consultancy services
