II.2.4) Description of the procurement

The aim of the service is to deliver all essential, additional and enhanced primary care services to all registered patients at the practice.

The ICB is seeking innovation in the provision of integrated primary care services, which align to both the national and local strategic plans, i.e.:

a) 'Do things differently':

- o develop new ways to improve access and service delivery;

- o improve integration and collaborative working with local health and social care providers, including Primary Care Networks;

- o improve engagement with patients in the development of integrated primary care services ensuring the patient has more control over their own health and the care they receive.

b) Preventing illness, tackling health inequalities:

- o promote physical and psychological well-being and self- care;

- o addressing health inequalities to improve patient outcomes.

c) 'Provide world class care for major health problems' through:

- o improved continuity of care;
- o clinical audit;
- o appropriate risk assessment to promote early diagnosis of chronic disease;
- o improved long term condition management.

d) Making better use of data and digital technology:

o supporting the 'digital first' approach with clinically safe, NHS approved digital technology to improve access, increase patient choice, and improve quality and outcomes.

e) Backing the workforce:

o providing a GP-led service with appropriate clinical oversight to support the multi-disciplinary practice team;

o providing and supporting all staff holistically, ensuring personal development, promoting confidence and greater staff satisfaction.

The contract shall be for a term of ten

(10) years from the Service start date with the option to extend the term by up to another five (5) years beyond the initial 10-year contracted term at the Commissioner's discretion. The contract start date is 1st of July 2023.
