Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

The bidder should hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent), or a documented policy regarding quality management. The policy must set out responsibilities for quality management demonstrating that the bidder has, and continues to implement, a quality management policy that is authorised by their Chief Executive, or equivalent, which is periodically reviewed at a senior management level. The policy must be relevant to the nature and scale of the work to be undertaken and set out responsibilities for quality management throughout the organisation.

The bidder must have a regularly reviewed and documented policy for Health and Safety (H&S) management, endorsed by the Chief Executive Officer, or equivalent. The policy must be relevant to the nature and scale of the work and set out responsibilities for H&S management at all levels within the organisation. The policy must be relevant to the nature and scale of your operations and set out your company's responsibilities of health and safety management and compliance with legislation.

Documented arrangements for ensuring that the bidder's environmental management procedures are effective in reducing / preventing significant impacts on the environment. This should evidence that the bidder's organisation's environmental policy implementation plan provides information as to how the organisation aims to discharge

relevant legal responsibilities and provides clear indication of how these arrangements are communicated to the workforce in relation to environmental matters including: sustainable materials procurement; waste management; energy management. This should include the arrangements for responding to, monitoring and recording environmental incidents and emergencies and complaints

If the bidder intends to subcontract, please complete a separate SPD for that supplier and complete parts SPD (Scotland): Part II (sections A and B); Part III exclusion grounds; the relevant part of Section IV selection criteria;

Please provide 3 examples of where you have delivered the Council's requirement preferably within the public sector.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Economic and Financial Standing – The Council shall carry out a credit check using Creditsafe, should it be required the bidder may be contacted for further financial information.

Insurances required:

The supplier's liability in contract, delict (including without limitation negligence or breach of statutory duty howsoever arising), misrepresentation (whether innocent or negligent), restitution or otherwise, arising in connection with the performance or contemplated performance of this agreement shall be limited to the value equal to 175% of the total value of the Contract.

For a period of 12 months from the date of supply of the equipment or a period equal to such extended period that the Council shall in its sole discretion decide to purchase, the Supplier shall maintain in force, with a reputable insurance company product liability insurance and public liability insurance to cover the liabilities that may arise under or in connection with the Contract.
