Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to contract award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period. Representations by providers must be made to decision makers by midnight on 11 June 2024 (8 working days following the publication of intention to award notice). This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

There has not been any declared conflicts or potential conflicts of interest of any individuals making the decision to award this contract.

Approval to award the contract has been made by: Peter Roderick - Director of Public Health

The Key Criteria and associated evaluation weightings, and associated rationale that were used for the evaluation of provider assessments that are the basis for the decision to award the contract are listed below:

Quality and Innovation (30%)

- An effective service model delivered to achieve the outcomes stated in the service specification for a weight management programme i.e. measured through KPI's and quality measures achieved.
- KPI's are based on outputs and not dependent on the outcomes of the participants such as the weight loss of the individual Service User, with the provider asked to share the effectiveness of their programme with the Council within quarterly reporting schedule

Integration, Collaboration & Service Sustainability (10%)

- ensure consistency of messaging, adherence to national OHID and NICE guidance and provide a reliable and regular service provision for the Service User.
- Group facilitators appropriately trained to deliver this service, includes specific service training as per the recommendations outlined in the UK government guide "A Guide to Delivering and Commissioning Tier 2 Adult Weight Management Services"

Improving Access, Reducing Health Inequalities & Facilitating Choice (10%)

- Service available to residents who have a BMI over 30+ (25+ for some ethnicities), meeting the eligibility criteria.
- Service designed to enable Service Users with additional needs such as learning disabilities to engage with the offer.
- Service Users have a optional online support offer such as an app.
- Service is adaptable, for instance, where government restrictions prevent face to face meeting.
- Service available to 18+ year olds
- Service delivery model will ensure that health inequalities will be minimised and how those who are digitally excluded are able to access the Tier 2 Weight Management service programme offer

Social Value (10%)

- Provider commitment to ensure that opportunities are taken to reduce/minimise workforce inequalities in the local area (for example, pay/gender, under represented groups, workforce progression).
- Inclusion of progressive policies in place to support staff wellbeing such as annual leave, paid sickness leave, commitment to pay the Living Wage Foundation rates of pay

Value/Price (40%)

- The awarded service provider demonstrated value for money.
