## **II.2.4) Description of the procurement**

NHS South West London Integrated Care Board (ICB) is currently developing their service specification and contracting process for the The Provision of Patient Choice Fertility Services.

The SWL ICB is seeking to appoint providers to an AQP Framework to deliver these services.

The purpose of these specialist fertility services is to provide a range of appropriate assisted conception treatment services for patients and their partners if they have one (following fertility assessment) who are registered with a GP practice in South West London and who meet the eligibility criteria.

This market engagement exercise seeks the views and opinions of those organisations that may be interested in delivering the Service.

This exercise and any subsequent responses are in no way legally binding on any party.

Participation in the engagement exercise is not a mandatory requirement for participating in any potential future procurement; however, responses received will assist to inform the Contracting Authority as to the level of interest from the market and will be used to evidence a decision as to whether or not to undertake a competitive procurement.

The Market Engagement Questionnaire and current Service Specification can be downloaded from SAP Ariba Portal at the below link:
