Deliveries to be made ideally before 8.30am

Catering for one of our Nurseries will also come from the Melcombe Primary School kitchen - this is yet to start but will commence from September 2022. This is currently for 52 pupils (maximum 60) and 1 member of staff.

We will be sharing our school premises with a private Chinese/English Bilingual School from September 2022 for 1 year. We will know towards the end of this year if there needs to be an extension on this length of time. If there is an extension for them to stay in 2023-24, the catering team will need to provide meals for approximately an additional 100 pupils and 17 staff; meal quality and menu choice is very important with an occasional Oriental twist

Improved quality that ensures best value and meets all the needs of our students

To replace the existing catering contract maintained by the LA including the Heavy Equipment contract

Happier onsite catering team who are nurtured and looked after by their employer

We want to be proud of our catering service and the food they serve. We would like the whole school to have a hot meal daily (including the staff) but it is hard to promote/sell a product that we don't believe in

Possibility in the future to include food for breakfast club and after school club if the price is comparable to the school doing it ourselves
