Engagement

Engagement deadline

9 May 2025

Engagement process description

The Commissioning Alliance's current purchasing vehicle (DPS) which is accessed by several Local Authorities to procure supported accommodation placements is coming to an end in 2026 and we will be commencing engagement events (online) with providers of both Ofsted regulated supported accommodation provision and Providers of semi-independent living services. This engagement will help to inform the market on our initial thoughts on the new lotting structure (London, surrounding region, South, and UK based), the new commissioning arrangements, seek provider feedback on key terms and conditions and what key elements we need to consider going forward to help inform the design and development of the new Open Framework. We aim to have separate events for providers that deliver an Ofsted regulated provision and another one for those that support 18+ young people and are not regulated. If you wish to attend these pre-market engagement events please register so online links can be sent to you, using the link here: <https://forms.office.com/e/YtiY0xFw9p> Dates will be confirmed mid May 2025 once providers have registered.
