Scope

Description

- There is an urgent need to upskill circa 10 people in power applications including Power BI, Power Apps, and Power Automate to name but a few.
- The training could resemble a guided, hands-on programme (e.g. labs or workshops with a supervising consultant), with flexibility on whether delivery is remote or in-person depending on cost.
- Timing urgency: The requirement is time sensitive , with agreement to move quickly and begin supplier engagement as soon as possible.
- Teignbridge District Council will be running a preliminary market engagement with suppliers. The objectives of running the preliminary market engagement are:-
 - o To understand the budget needed
 - o To determine whether suppliers appear on any public sector frameworks
 - o To understand what training can be provided

o To understand the best training solution for a hybrid working environment
