II.1.4) Short description

***THIS NOTICE IS BEING PUBLISHED ON BEHALF OF HAMPSHIRE & ISLE OF WIGHT

FIRE AND RESCUE SERVICE***

Following a competitive process, the decision has been taken to abandon this tendering opportunity.

This is due to the tendering process highlighting a requirement to amend aspects of the tender that would otherwise be deemed a significant change. As a result, the tender documentation and requirements within will be reviewed and revised with a view to advertise as a new opportunity in the near future.

The original short description is below for ease of reference;

The NFSP is seeking to implement an integrated communication control system (ICCS) and

command and control mobilising system for the Fire and Rescue authorities within the NFSP

through a shared solution.

II.1.6) Information about lots
