Public sector framework provider

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

New Build Housing Construction Framework

Reference number

H2

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

This opportunity is listed on behalf of LHC and Consortium Procurement Consortium (CPC).

LHC is seeking interest from suitable organisations for our New Build Housing Construction Framework.

The framework will cover the geographical area of North and Central England and London and South East England. (LHC will publish a separate tender for Scotland).The framework will not be available within Wales or the South West of England.

The framework will include the development of new build housing projects, including but not limited to: - Traditional housing - Houses, bungalows, flats, apartments

- Care homes, extra care and supporting living accommodation
- Student accommodation
- Conversion of commercial buildings for residential use
- Rooftop developments
- Medium to high rise housing

- Key worker accommodation
- Net Zero Carbon and low energy buildings
- Mixed use sites, housing plus community or commercial buildings etc
- Development agreements and land purchases
- Associated groundworks, civil engineering and infrastructure works
- Site demolition and clearance

Certain workstreams/lots include the provision of groundworks and infrastructure works when associated to the main project scope, but they will also be included as standalone workstreams.

The full list of workstreams available under this framework is:

Workstream 1 - New build housing - Low Rise Housing up to 11m Floor Height

Workstream 2 - Construction of Independent, Assisted and Residential Care Housing

Workstream 3 - Medium to High Rise Developments with Floor Heights above 11m

Workstream 4 - Refurbishment, Conversions, Extensions and Adaptations

Workstream 5 - Groundworks and Site Preparation for New Build Housing Projects (including infrastructure)

Workstream 6 - Demolition, Decontamination and Associated Site Enabling work

II.1.5) Estimated total value

Value excluding VAT: £1,000,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Low Rise Housing up to 11m Floor Height - Project Value 0 to 2m GBP - BUILD ONLY

Lot No

1

II.2.2) Additional CPV code(s)

- 45100000 - Site preparation work
- 45211100 - Construction work for houses
- 45211300 - Houses construction work
- 45211340 - Multi-dwelling buildings construction work
- 45211341 - Flats construction work
- 45211350 - Multi-functional buildings construction work
- 45211360 - Urban development construction work

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKI - London
- UKJ - South East (England)

II.2.4) Description of the procurement

Lot 1 covers Low Rise Housing up to 11m Floor Height - Build Only - Projects valued 0 to 2m GBP

This lot encompasses all types of low rise housing up to 11m in height but typically up to 4 storeys high.

This lot is for Build Only projects, companies applying to and appointed to this lot will not be required to offer a design service.

Call off contracts tendered through this lot will be for projects valued up to 2m GBP

This encompasses (but is not limited to) houses, bungalows, flats, apartments, key worker accommodation, temporary accommodation and mixed use sites.

In addition, where required associated groundworks, demolition works and other associated works can be included in a call off project.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

LHC will use the criteria set out in the SQ document and this Contract Notice to shortlist Bidders to be taken through to the ITT stage.

All Bidders who pass the exclusion and eligibility requirements, and achieve a minimum of 50 percent (of a possible 100 percent) from the scored shortlisting criteria will be invited to the ITT stage. The scored shortlist assessment criteria will be based on the following topics:

- Case studies

- Project and Risk Management
- Construction Phase Health and Safety
- Customer Service
- Approach to Handover
- Cost Planning
- Considerate Constructors Scheme
- Regional Capability and Experience
- Approach to the Procurement and Mgt. of the Supply Chain

As such LHC do not have a maximum number of candidates that we will shortlist and following the assessment of the selection stage submissions, LHC will shortlist to ITT stage all candidates that meet the minimum score threshold of 50 percent.

II.2) Description

II.2.1) Title

Low Rise Housing up to 11m Floor Height - Project Value 0 to 2m GBP - DESIGN AND BUILD

Lot No

2

II.2.2) Additional CPV code(s)

- 45100000 - Site preparation work
- 45211100 - Construction work for houses
- 45211200 - Sheltered housing construction work
- 45211300 - Houses construction work
- 45211340 - Multi-dwelling buildings construction work
- 45211341 - Flats construction work
- 45211350 - Multi-functional buildings construction work

- 45211360 - Urban development construction work
- 45215210 - Construction work for subsidised residential accommodation
- 45215212 - Retirement home construction work
- 45215213 - Nursing home construction work
- 45215214 - Residential homes construction work
- 45215215 - Children's home construction work

Options: No

II.2.14) Additional information

LHC will use the criteria set out in the SQ document and this Contract Notice to shortlist Bidders to be taken through to the ITT stage.

All Bidders who pass the exclusion and eligibility requirements, and achieve a minimum of 50 percent (of a possible 100 percent) from the scored shortlisting criteria will be invited to the ITT stage. The scored shortlist assessment criteria will be based on the following topics:

- Case studies
- Project and Risk Management
- Construction Phase Health and Safety
- Customer Service
- Approach to Handover
- Cost Planning

- Considerate Constructors Scheme
- Regional Capability and Experience
- Approach to the Procurement and Mgt. of the Supply Chain

As such LHC do not have a maximum number of candidates that we will shortlist and following the assessment of the selection stage submissions, LHC will shortlist to ITT stage all candidates that meet the minimum score threshold of 50 percent.

II.2) Description

II.2.1) Title

Medium to High Rise Developments with Floor Heights Above 11m - Projects Over 10m GBP

Lot No

10

II.2.2) Additional CPV code(s)

- 45100000 - Site preparation work
- 45211000 - Construction work for multi-dwelling buildings and individual houses

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKI - London
- UKJ - South East (England)

II.2.4) Description of the procurement

Lot 10 covers projects for medium to high rise developments, with a value over 10m GBP covering flats/apartments and mixed use projects.

Companies applying to and appointed to this lot will be required to offer a full design and build service.

Call off contracts for this lot will be for projects with a value over 10m GBP

In addition, where required associated groundworks, demolition works and other associated works can be included in a call off project.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

LHC will use the criteria set out in the SQ document and this Contract Notice to shortlist Bidders to be taken through to the ITT stage.

All Bidders who pass the exclusion and eligibility requirements, and achieve a minimum of 50 percent (of a possible 100 percent) from the scored shortlisting criteria will be invited to the ITT stage. The scored shortlist assessment criteria will be based on the following topics:

- Case studies

- UKJ - South East (England)

II.2.4) Description of the procurement

Bidders will not specifically apply to be on the Workstream 5 - Groundworks and Site Preparation for New Build Housing Projects Superlot. Following the evaluation process all companies appointed to one or more of the value bands within workstream 5 (lots 13 and 14) will be automatically added to the respective superlot. When considering their call off contract requirements, LHC Clients will have the option of advertising their opportunity either through the relevant lot and geographical area within workstream 5 (lots 13 and 14) OR advertise through this superlot. No ranking will be applied within the superlot, and call off will be through mini competition only.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

compliance in accordance with BS EN ISO 9001 Where a Bidder holds Constructionline Gold they can upload this as evidence of

compliance.

Warranties

Bidders will be required to offer a minimum 10-year warranty for all new build projects via NHBC or equivalent body (see specification).

However Bidders should note a 12-year warranty may be required by clients for rental properties. If Bidders are any doubt regarding the

suitability of the warranty your organisation can offer please contact the procurement team straight away with details of your accreditation

using the messaging function within the e-tendering portal.

Workstream 6 Demolition Only

Bidders be member of the National Federation of Demolition Contractors (NFDC) or the

National Demolition Association (NDA)

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Performance management

As part of it's monitoring of the performance of projects delivered through this framework, following completion

of each project LHC will require the relevant appointed company to provide project performance data based on

a standardised set of key performance metrics.

Social Value and community benefits

Successful bidders appointed to this framework will be expected to work with LHC and our clients to support

in the identification and subsequent delivery of social value and community benefits. As such, appointed

companies will be required to provide evidence to LHC for each project secured through this framework that

they have discussed and identified opportunities to deliver social value and/or community benefits in conjunction

with the project and subsequently delivered the identified opportunity.

Section IV. Procedure

15 December 2021

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 6 (from the date stated for receipt of tender)

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

LHC is a joint committee of local authorities acting as a central purchasing body on behalf of contracting

authorities throughout England, Wales and Scotland (including partners of the Welsh Procurement Alliance,

Scottish Procurement Alliance and South West Procurement Alliance) for whom we continue to monitor

up to 500 live projects at any one time. Thanks to their ongoing and collective feedback and input into the

development of this framework and given the reach and scale of their collective portfolios, the framework is

both designed and anticipated to support the vast majority of requirements. Consequently, other contracting

authorities that were not specifically consulted in the development of this framework may nevertheless also

deem the framework to offer a value for money procurement solution for their own requirements and may also

use the framework. As of the date of publication of this notice our frameworks may be used by all contracting

authorities in England, Wales and Scotland as defined by the Public Contracts Regulations 2015 and as

listed on <https://www.lhc.gov.uk/who-we-work-with/>, including, but not limited to Registered social landlords

(RSL's), tenant management organisations (TMOs) and arm's length management organisations (ALMOs), local

authorities and any subsidiaries and joint-venture vehicles of those local authorities, health authorities, councils,

boards and trusts, publicly funded schools, universities and further education establishments, colleges, police

forces, fire and rescue services or registered charities.

Bidders must beware that LHC clients may add community benefit requirements in their call-off contracts from

this Framework including but not limited to:

- to generate employment and training opportunities for priority groups;
- vocational training;
- to up-skill the existing workforce;
- equality and diversity initiatives;
- to make sub-contracting opportunities available to SMEs, the third sector and supported businesses;
- supply-chain development activity;
- to build capacity in community organisations;
- educational support initiatives.

Please use the following link, and select LHC using the 'Portal' or 'Organisation' drop down filter to access the tender on LHC's eTendering portal.
