II.1.4) Short description

For the avoidance of doubt this is not a Call for Competition, this is to initiate a Market Engagement and is a Prior Indicative Notice.

The purpose of Stop Smoking in Pregnancy Services is to reduce the number of women smoking during pregnancy by providing evidence-based treatment and behavioural support to pregnant women and partners making quit attempts. The delivery for the service will reduce levels of smoking-related illness, disability, mortality, and health inequality for both the pregnant woman and unborn children.

To provide a stop-smoking support service that:

- is accessible to all pregnant women who smoke
- offers the most effective, evidence-based treatments available
- supports pregnant women and partners who smoke to successfully quit smoking
- engage with other providers e.g. maternity services, to develop and embed a smoke free pathway
- increase the number of smoke free pregnancies and smoke free homes in Staffordshire.

Estimated total contract value range is £320000 - £400000 to be confirmed.
