This Prior Information Notice (PIN) is to advise prospective providers of the Commissioner's intention. It is our intention to hold a market engagement event on the morning of Thursday 29th July 9.30-1130am, to discuss our intended service delivery model and consult with parties interested in potentially bidding to deliver a lead provider or consortium offer for the national Surge Support Programme. The event will take the form of an online presentation and discussion organised through MS Teams and will outline our current thinking, the anticipated procurement process, general discussion, and requests for information. The process will also provide an opportunity to network with others providing support in this area already. NHSEI will use the opportunity to gather intelligence from providers who may influence and inform the development of the final tender. Please RSVP by Monday 26th July 5pm with the name, title and contact details for attendees (a maximum of two attendees per organisation) to: Natalie Gyami, Project Manager- Voluntary Partnerships Team: (email [england.voluntarypartnerships@nhs.net](mailto:england.voluntarypartnerships@nhs.net))
