## Engagement process description

Suppliers are being engaged with via a Request for Information questionnaire (accessible on the eProcurement Portal / ProContract as a Public Message, once an Expression an interest has been completed, see also below for further details on how to access this) to:

- Identify potential suppliers in the market
- Obtain feedback on ESPO's proposed procurement methodology
- Determine whether localised Social Value can and/or will be provided to framework users
- Determine whether the market is prepared for carbon reduction plans to be included as a condition of participation for the procurement
- Understand the market's capacity to meet the framework requirements
- Determine whether there have been any changes or developments in the market since ESPO last went out to tender
- Identify any potential risks in the market

For the purposes of this Preliminary market engagement (PME), please express your interest as follows:

(a) Go to <https://www.eastmidstenders.org/>; (b) Register (if not already registered on ProContract); (c) Search for tender opportunity '860\_26 ' (via "View Opportunities" from the EastMidsTenders Portal); d) Express an interest.

Please access the Messages area/section of the eProcurement Portal (ProContract / EastMidsTenders - Messages can be accessed via the Activity dashboard once an Expression of interest has been completed) for any further communications on this preliminary market engagement, including the RFI documentation.

In the case of any questions or clarifications relating to this PME, these should also be submitted to ESPO as a Message on the eProcurement Portal (again once an Expression of interest has been completed).

Economic operators should note that this is a preliminary market engagement exercise (and NOT a competitive tender process at this stage). The participation of an economic operator in this preliminary market engagement will not constitute any contractual agreement between the respondent and the Contracting Authority/Client. An economic operator's participation, or lack of participation, in this preliminary market engagement

shall not impact the ability of the economic operator to participate in any resulting tender exercise. Economic operators should note that any interest indicated does not constitute a commitment to participate in any future tendering exercise.
