Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Re-Tender for Design, Supply, Refurbishment and Installation of Town Dock Torquay

Reference number

DN557368

II.1.2) Main CPV code

- 34955000 - Floating dock

II.1.3) Type of contract

Supplies

II.1.4) Short description

This is a Re-Tender following a recent unsuccessful tender exercise, with an increased budget of £1.2 million, which is subject to approval by full Council.

Six of the existing pontoons that form the wave screen for the marina need to be rubberised as the joints have become worn. This will require them to be removed from site for shot blasting and metal works. While they are off site a temporary wave screen will need to be put in place to protect the marina.

The access bridge to the marina also needs to be refurbished, this will also need to be taken off site for blasting and minor metal works. Temporary access will need to be put in place while the bridge is being refurbished.

The back walkway pontoon and three legs of the marina, along with all the mooring fingers need to be removed and replaced with new products. The existing utility supplies (water & power) will be swapped onto the new infrastructure. In order to keep the marina operational we anticipate the works to be phased over a maximum of three years.

II.1.5) Estimated total value

Value excluding VAT: £1,200,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK42 - Torbay

II.2.4) Description of the procurement

This is a Re-Tender following a recent unsuccessful tender exercise, with an increased budget of £1.2 million, which is subject to approval by full Council.

Six of the existing pontoons that form the wave screen for the marina need to be rubberised as the joints have become worn. This will require them to be removed from site for shot blasting and metal works. While they are off site a temporary wave screen will need to be put in place to protect the marina.

The access bridge to the marina also needs to be refurbished, this will also need to be taken off site for blasting and minor metal works. Temporary access will need to be put in place while the bridge is being refurbished.

The existing utility supplies (water & power) will be swapped onto the new infrastructure. In order to keep the marina operational we anticipate the works to be phased over a maximum of three years.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,200,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Applicants are encouraged to be innovative in their thinking when preparing bids and to provide any suggestions and solutions that provide a more cost efficient and value for money solution.

Torbay Council may, at its sole discretion, consider variant bids in line with Regulation 45 Variants of the Public Contract Regulations 2015 where these are based on a demonstrable value for money rationale.

Torbay Council will only accept variant bids if they meet the minimum requirements as identified in section 2 Minimum Requirements of Part 2 Specification. Variant bids submitted which do not meet the minimum requirements will be deemed to be non-compliant and not capable of acceptance by Torbay Council.

Variant bids may only be submitted where a compliant bid is also submitted.

The published evaluation criteria will be used to assess whether the variant bid represents the most economically advantageous tender or not, taking all factors into account.

Variant bids must be set out in writing, as a separate document to the tender and accompanied by Part 4 Award Questionnaire and Part 5 Pricing Submission. Whilst Part 5

Pricing Submission does not need to follow the structure set the information provided must be capable of being assessed against the stated criteria. The full scope of the proposal, including costings and implementation details must be submitted in accordance with the terms set out in these tender documents.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)
