### **II.2.11) Information about options**

Options: Yes

Description of options

The framework has an option to extend for a further period of 2 years to allow the appointed contractors adequate time to recoup their significant initial investment in establishing processes and procedures that will deliver the improvements that the clients are seeking through this framework. These include economic regeneration, carbon and waste reduction, training and employment initiatives, training of their staff to new ways of working, BIM, new models of construction procurement, Construction Playbook and Construction Innovation Hub Value toolkit. In addition there will be significant investment required from clients in undertaking the selection and evaluation process, and in particular the training of their staff and consultants to new ways of working. The partnering and collaborative working objectives that will form part of this framework may only be capable of being realised over longer periods of time than 4 years, not least because a number of public sector bodies may only start using this framework when their existing arrangements expire. Further details are set out in the framework documents. Provisional timetable for recourse to these options: in months: 48 (from the award of the framework).

### **II.2.14) Additional information**

Some projects may receive financial contributions from European Union Funds.

Subject to the technical and financial capability and capacity of applications it is envisaged that 12 contractors will be appointed to Lot 2 of the YORbuild3 Medium Works Contractors Framework Agreement East Area.

value of services under the proposed arrangement.

## **VI.4) Procedures for review**

### **VI.4.1) Review body**

East Riding of Yorkshire Council

Beverley

HU17 9BA

Country

United Kingdom

### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

East Riding of Yorkshire Council will incorporate a standstill period at the point information on the award of the framework is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contracts Regulations 2015 provide for an economic operator who suffers or risks suffering loss or damage by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
