Section II: Object of the contract

II.1) Description

II.1.1) Title attributed to the contract by the contracting authority

705520450 - JES/00141 - UW Support

II.1.2) Type of contract and location of works, place of delivery or of performance

Services

Service category No 3: Defence services, military defence services and civil defence services

NUTS code

- UK - United Kingdom

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT:

Range: between £9,000,000 and £20,000,000

II.1.5) Short description of the contract or purchase(s)

Background

The Authority has a requirement Under Water Support, involving support services for sonar equipment(s) deployed on primarily sub-surface naval platforms. The requirement includes but is not limited to the following activities:

- Capability enhancement
- Capability maintenance & support
- Project Management
- Asset Management
- GFX storage and transportation
- Control, transportation and storage of items of equipment, when not fitted to platforms

- Naval liaison
- Document & installation of A&As and Fit-To-Receive infrastructure to naval platforms
- System integration
- Calibration trials
- Naval platform surveys
- Bespoke infrastructure development
- Data analysis
- Sourcing and procurement of items in support of equipment fits
- Provision of Engineering and design advice in support of implementation of equipment fits
- Management and execution of Fit to Receive (FTR) capabilities on various classes of platform
- Support of FTR and infrastructure elements of equipment(s) whilst deployed

Contract Duration / Value

It is envisaged that the Contract will be let for an initial two year period with options to extend for a further 5 years. The potential mechanism and duration are indicative and subject to change at the sole discretion of the Contracting Authority.

The estimated value of contract represents the minimum and maximum values of the Contract. The maximum figure is only an estimate and the total cumulative value of core activity and tasks placed under the Contract. The final contract value may be below this figure.

Process

Procurement process indicative time frames (subject to change by the Authority)

- PQQ release June 2023
- PQQ return July 2023
- ITT issue October 2023

- Contract Award April 2023

General

Due to the security aspects of the requirement, the requirement is limited to UK organisations only. As part of the tendering process organisations with non-UK supply chains, sub-contractors, parent organisations may be expected to demonstrate their policies and procedures for both controlling and handling UK information.

Any potential future procurement exercise will be exempt from the Defence and Securities Public Procurement Regulations 2011 (DSPCR) in accordance with Regulation 7(1)(a) of the DSPCR in conjunction with Regulation 6(3A)(a) and therefore no rights, duties, obligations, or liabilities arising from DSPCR 2011 and/or EU treaties will apply.

The Authority does not bind itself to enter into any contract(s) arising out of the proceedings envisioned by this Contract Notice and no contractual rights express or implied arise out of this notice or the procedures envisaged by it.

Selection Criteria

Potential Providers will be required to complete the PQQ to provide the Authority with information to evaluate the interested parties' capacity and capability against the selection criteria.

The Authority will use the PQQ responses to create a shortlist (maximum 3) of tenderers who:

- (1) are eligible to participate;
- (2) fulfil any minimum economic, financial, professional and technical standards; and
- (3) best meet in terms of capacity and capability the selection criteria set out in the PQQ

Full details of the method for choosing tenderers will be set out in the PQQ.

Potential Providers will be required to provide evidence to demonstrate that they can meet the Authority's requirements. Tenderers which do not meet the minimum requirements set out in the PQQ will be excluded from any future involvement in the competitive procurement process.

The Authority reserves the right to reject any sub-contractor chosen by the Potential Provider at any stage of the procurement process or during performance of the contract.

Currency: GBP

Duration of Contract: 7 years

Electronic Trading on CP&F: Yes

ITT Award Criteria: Most Economically Advantageous Tender (MEAT), in terms of technical quality, cost, commercial compliance, and social values, Full details of the evaluation process, contract award criteria and weightings against each criterion will be provided in the tender documentation to those Potential Providers who pass the PQQ stage.

Potential Providers must note the mandatory requirement for electronic trading using Contracting, Purchasing & Finance (CP&F) electronic procurement tool. All payments for Contractor Deliverables under the Contract shall only be made via CP&F. you can find details on CP&F at <https://www.gov.uk/government/publications/mod-contracting-purchasing-and-finance-e-procurement-system>.
